LOYALTY & COURAGE

NAU MAI HAERE MAI

Welcome to Onehunga High School

Onehunga High School has successfully served its community since 1959. We are a successful co-educational, multi-cultural and international secondary school. Success is built on prioritising academic excellence by supporting each student to learn and achieve in a personally meaningful pathway, in partnership with families. Our quality teaching seeks to instil a love of learning, intellectual curiosity and the ability to learn independently.

We ensure successful outcomes for all students by challenging learners with high academic standards, inspiring teaching, personalised learning and purposeful curriculum. The Onehunga High School curriculum delivers broad learning opportunities with quality pathways - academic subjects sit alongside our extensive pathways programme.

Onehunga High School has a proud history of success. Many of our families have long histories in the area, and we have many second and third generation students, which gives the school a strong sense of tradition and continuity. Belonging to a community where dreams are realised, purpose is discovered and service to others is a natural occurrence, makes Onehunga High School a standout learning experience

The OHS motto is:

“Fide et Virtute”
Loyalty & Courage

Being faithful or loyal
and showing courage
and determination when
facing a challenge.

BRING YOUR OWN DEVICE (BYOD)

Onehunga High School is a BYOD school. All students are required to bring a device to school to support their learning. If students do not already have a device, we recommend purchasing a Chromebook. However, any laptop will be sufficient.

Connecting to the school wifi will only be possible on a device such as a Chromebook or laptop. There will be no school wifi connectivity for mobile phones.

We ask that all students bring in their BYOD device during the first week of school so that it can be registered to connect with the school wifi. Registering devices will take place in classes during the first week of school.

EXEAT PASS

Leaving school during the school day

Students are required to stay within the school grounds between 8.50am and 3.05pm on Monday, Tuesday, Wednesday and Friday, and between 9.05am and 3.05pm on Thursday. Students are not to leave the school grounds without permission, and an exeat pass.

If your child needs to leave school during the day, please contact the school via **ONE** of these options:

- Use of the School App to send through the reason for leaving school (as you would for an all-day absence) A note that explains the reason for leaving school - to be presented to the Attendance Officer.

An email that explains the reason for leaving school. Please send to your Dean and Kaitiaki teacher.

- Any student leaving school, during the school day, must go to the Student Centre before leaving school for two reasons:

The student will be issued with a printed exeat pass that can be presented to staff who may see the student leaving school.

It is critical that the school has an accurate record of students on site should an emergency occur that requires us to look for students.

NOTE: If returning to the school a student must, on their return, sign in at the Student Centre.

LATENESS

Punctuality is important. If your child is late to school, i.e., arrives after the 8.50am bell on Monday, Tuesday, Wednesday or Friday, or after 9.10am on Thursday, they need to go to the Student Centre to sign in.

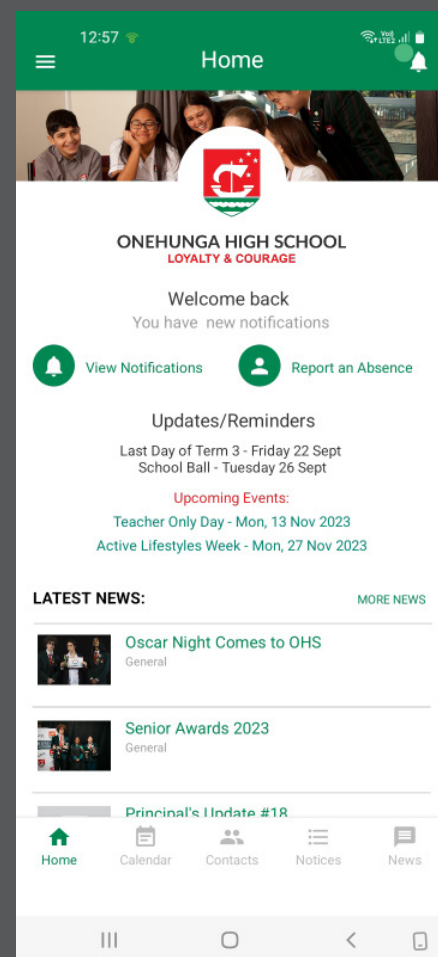

PLEASE BE MINDFUL: Attendance is critical to student success. Low attendance levels are directly linked to low achievement levels. Any absence from school, not just truancy, is a concern. Truancy will involve a consequence.

Any electronic device that is used inappropriately will be confiscated and given to the appropriate Senior Leader. Depending on the circumstances, any item confiscated may not necessarily be returned to the student but instead may require collection by a parent. The school can take no responsibility for these items being lost or stolen.

LEARNING OUTSIDE SCHOOL HOURS

To succeed, time spent completing work outside of school hours is essential to keep up-to-date with your learning by finishing all set work.

Your teacher may set additional learning activities. You can also undertake extra reading or revise at home to accelerate your progress.

PUBLIC TRANSPORT

The Bus routes for Onehunga High School are managed by Auckland Transport. Auckland Transport (AT) is responsible for planning, funding and contracting public transport, including bus, ferry and train services. The AT website provides timetable information and promotes alternative ways to getting around.

SPORTS

Life outside the classroom

Sport is a vital part of life at Onehunga High School. Our vision is 'Sporting Participation and Excellence'.

We develop culture, tradition and success through encouragement, commitment, discipline and personal responsibility.

Our sports list includes:

Athletics, Badminton, Basketball, Cricket, Cross Country, Football, Hockey, Kilikiti, Netball, Rugby, Rugby League, Swimming, Squash, Table Tennis, Tag, Tennis, Touch Rugby, Volleyball and Weightlifting. Golf and Lawn bowls may also be offered during the year.

Being a member of an Onehunga High School sports team encourages health and physical fitness and also develops character, leadership and interpersonal skills. Students need to, and are expected to, honour their commitment to their team for the season by attending all trainings and games on time, wearing correct uniform and enjoying the challenges of the season and the company of fellow students.

Further inquiries may be made to the Director of Sports Chad Coombes ccoombes@ohs.school.nz

ARTS

Life outside the classroom

All students are encouraged to participate in Performing Arts activities. The school offers many opportunities in Music, Dance and Drama for students to perform both within the school and the wider community.

In Music, students are offered instrumental or voice tuition and student bands regularly rehearse and perform throughout the year. Performance opportunities include school assemblies, dance and music shows, and music competitions. Senior students also create a portfolio of their music compositions as part of their learning programme, while a selection of junior students engage in a "Can You be a Conductor?" programme. This is an opportunity brought about by our strong and close relationship with the Auckland Philharmonic Orchestra.

**Further inquiries may be made to the Leader of Learning for the Arts:
Anthony Clark aclark@ohs.school.nz**

DRAMA

We showcase student talent through theatre sports, and the annual senior dramatic production. Students have the opportunity throughout the year to work in collaboration with Massive Theatre Company as well as Masked Theatre Productions. If students are passionate about musical theatre – we offer scholarship places for students to take part in National Youth Theatre production outside of school. Students have the opportunity to view professional live theatre productions as part of their studies.

KAPA HAKA/POLYFEST

Onehunga High School takes pride in performing every second year at Polyfest. As well as Kapa Haka, our students represent cultural groups from the Cook Islands, India, Philippines, China, Niue, Samoa, Aotearoa and Tonga at this large spectacular event.

DANCE

Offers students a variety of practical experiences, including collaboration with the Royal New Zealand Ballet and other external dance professionals from the industry, this gives students the opportunity to experience dance in real-life contexts. Students also have opportunities to perform in school through Showcase performance evenings.
