FURTHER INFORMATION

LEAVE - PERSONAL

Request for non-school related leave during the school year must be addressed to Deputy Principal Adam Simpson (asimpson@ohs.school.nz) at least two weeks before the start of proposed leave. Please give the dates of proposed absence from school and the purpose of the leave.

LATENESS

Punctuality is important. If your child is late to school, i.e., arrives after the 8.50am bell on Monday, Tuesday, Wednesday or Friday, or after 9.10am on Thursday, they need to go to the Student Centre to sign in.

PLEASE BE MINDFUL: Attendance is critical to student success. Low attendance levels are directly linked to low achievement levels. Any absence from school, not just truancy, is a concern. Truancy will involve a consequence.

ID CARDS

ID photos will be taken in February and Student ID Cards will be available 2-3 weeks after these photos are taken. Student ID Cards are paid for at, and issued by, the Finance Office.

LEARNING OUTSIDE SCHOOL HOURS

To succeed, time spent completing work outside of school hours is essential to keep up-to-date with your learning by finishing all set work.

Your teacher may set additional learning activities. You can also undertake extra reading or revise at home to accelerate your progress.

SPORTS

Life outside the classroom

Sport is a vital part of life at Onehunga High School. Our vision is 'Sporting Participation and Excellence'.

We develop culture, tradition and success through encouragement, commitment, discipline and personal responsibility.

Our sports list includes:

Athletics, Badminton, Basketball, Cricket, Cross Country, Football, Hockey, Kilikiti, Netball, Rugby, Rugby League, Swimming, Squash, Table Tennis, Tag, Tennis, Touch Rugby, Volleyball and Weightlifting. Golf and Lawn bowls may also be offered during the year.

STUDY / HOMEWORK CENTRE

Every Tuesday and Thursday, after school until 4:30 PM, the Study Centre is open for all students. Teachers provide support during this time, making it a great opportunity to access assistance, work on assessments, and complete classwork and homework. The centre fosters a warm, friendly environment where students can collaborate, ask questions, and enhance their learning experience. Whether you need help with a challenging subject or simply a quiet place to study, the Study Centre is here to support you in achieving your academic goals.

Being a member of an Onehunga High School sports team encourages health and physical fitness and also develops character, leadership and interpersonal skills. Students need to, and are expected to, honour their commitment to their team for the season by attending all trainings and games on time, wearing correct uniform and enjoying the challenges of the season and the company of fellow students.

Academy trials will take place at the beginning of next year and students will be emailed.

Further inquiries may be made to the Director of Sports Scott Collins: scollins@ohs.school.nz

ARTS

Life outside the classroom

All students are encouraged to participate in Performing Arts activities. The school offers many opportunities in Music, Dance and Drama for students to perform both within the school and the wider community.

In Music, students are offered instrumental or voice tuition and student bands regularly rehearse and perform throughout the year. Performance opportunities include school assemblies, dance and music shows, and music competitions. Senior students also create a portfolio of their music compositions as part of their learning programme, while a selection of junior students engage in a “Can You be a Conductor?” programme. This is an opportunity brought about by our strong and close relationship with the Auckland Philharmonic Orchestra.

**Further inquiries may be made to the Leader of Learning for the Arts:
Anthony Clark aclark@ohs.school.nz**

DRAMA

We showcase student talent through theatre sports, and the annual senior dramatic production. Students have the opportunity throughout the year to work in collaboration with Massive Theatre Company as well as Masked Theatre Productions. If students are passionate about musical theatre – we offer scholarship places for students to take part in National Youth Theatre production outside of school. Students have the opportunity to view professional live theatre productions as part of their studies.

KAPA HAKA/POLYFEST

Onehunga High School takes pride in performing every second year at Polyfest. As well as Kapa Haka, our students represent cultural groups from the Cook Islands, India, Philippines, China, Niue, Samoa, Aotearoa and Tonga at this large spectacular event.
