# YEAR IN REVIEW

**As we reflect on another memorable year at Onehunga High School, it is inspiring to consider the achievements and growth of our remarkable students. This year has been a journey defined by perseverance, creativity, and success, epitomising our 65-year tradition of striving for excellence.**

We embarked on the first year of our three-year strategic plan, making significant strides toward our goals. Notably, our emphasis on enhancing academic achievement through improved teaching and learning practices, as well as robust academic tracking, has led to meaningful progress for our learners. The predicted outcomes for the senior school build upon last year's gains, reinforcing our commitment to continuous improvement. From the start of my tenure, I have underscored the importance of academic results in providing our learners with choice and opportunity. It is gratifying to see our strategic vision of every student succeeding coming to fruition.

The accomplishments of our students this year have been truly inspiring. In sports, highlights include the Girls Rugby 10s being crowned Auckland Champions, the Girls Futsal team qualifying for the 2025 Nationals, and the Girls 1st XI Football team returning to the Auckland Premier Grade after a ten-year absence. Individual successes, such as Xavier White becoming the National Junior Boys Orienteering Champion, exemplify the extraordinary talent within our school.

In arts and cultural pursuits, our students excelled by reaching the Theatresports

Finals, delivering outstanding Kapa Haka and Spoken Word performances, and celebrating the inaugural Pasifika Awards Ceremony. This event, a significant milestone for OHS, was further enriched by the presence of Honourable Carmel Sepuloni, whose inspiring message reminded us that the sky is the limit. Nga Reo Rau o Te Haerenga also organised a school-wide hangi, strengthening our school's tikanga through manaakitanga and kotahitanga.

Students also demonstrated their capabilities in academic and creative arenas. They excelled in the Tournament of Minds, the NZ Economics Competition, and Creative Writing, and represented New Zealand at the World Tsunami Summit in Japan. These achievements reflect not only the talent and dedication of our students but also the unwavering support of our staff and community.

The contributions of our staff were equally noteworthy. Two members were recognised with the Fran Compton Award for their exceptional dedication to teaching and learning. Kate Crews was celebrated for her commitment to academic excellence and holistic education, while Tia Woodley was acknowledged for her innovative work in the Arts and her passion

for nurturing creativity.

We also bid farewell to several valued staff members this year. Associate Principal Gareth Leadbeater transitioned to an exciting new role as Principal of MIT's Secondary Tertiary School. Since joining OHS in 1998, Mr. Leadbeater has left a lasting legacy, particularly as Head of PE and a senior leader. Ceri Cheshire, after 18 years at OHS, departed to take on the role of Deputy Principal at Pakuranga College. We are grateful for her dedication and service to the PE department and her contributions as a senior leader. We also honoured Nonette Roberts, who retired after 24 years of exceptional service as an ESOL teacher. Her warmth, expertise, and unwavering support have left an indelible mark on the lives of countless students.

This year saw significant developments in our facilities, including the opening of our refurbished hall and new science classrooms. Plans for additional enhancements—such as covered walkways, expanded seating, and a stand-alone library—are underway, reflecting our commitment to providing a well-equipped and enriching environment for learning.

To our teachers, support staff, Board of Trustees, and wider community: your

dedication and hard work have been the cornerstone of our students' success and the continued growth of our school.

For our Year 13 students, this year marks the conclusion of an important chapter in their lives. From their beginnings as eager Year 9 students to their roles as leaders and role models, their journey has been shaped by resilience, loyalty, and courage—values deeply woven into the fabric of our community. As they join our alumni network, they carry with them the spirit of LAC—Loyalty and Courage—and a lifelong connection to OHS.

To all our students, we are incredibly proud of your achievements. You exemplify the values of Onehunga High School and hold the potential to make meaningful contributions in the world. Wherever your journey takes you, know that you carry with you the enduring spirit of OHS.

**Kia kaha,**  
Onehunga High School.

Shameen Hayat  
- Principal

# PREFECTS

I have watched Head Prefects get up here and say their goodbyes, getting emotional, and I always thought that if I were up here, I wouldn't be the same. Now, actually standing here in this position, I fear it may be a little different. Oh, where to start?

The past five years have been a wild ride. From COVID disruptions to bad weather delays, we've faced challenges together as a cohort and individually—but we've made it through, stronger for the journey.

As the Year 13 chapter comes to an end, it's time to thank those who have supported us. To Ms. Huri, our incredible Dean, and Ms. Cheshire, your dedication and guidance have been invaluable. To every Kaitiaki teacher, past and present, thank you for being there for us and shaping our high school experience. To all the staff who keep this school running and to Ms. Hayat, whose passion for OHS inspires us all—thank you for making this place so special.

Year 13, whether you started in Year 9, joined halfway through, or just arrived last year, you're part of this amazing cohort. We've grown, laughed, and overcome so much together. As we move forward, remember: "There's no point being grown up if you can't be childish sometimes." Embrace fun, stay playful, and don't lose sight of the joy in life.

To the Year 12s stepping into leadership roles—your actions will set the tone for those who look up to you. Lead with pride, integrity, and kindness, and know that every small deed makes a difference, even if it goes unnoticed.

These five years have been formative, unpredictable, and unforgettable. I am deeply grateful to my family for their unwavering support, to my friends for the laughter and encouragement, and to the prefects for their hard work this year. A special thanks to Magdalene—you've been an incredible co-leader and an inspiration to us all. Your dedication and drive have left a lasting mark on OHS, and I can't wait to see all you accomplish.

It feels strange to say goodbye, but as someone once said: "Everything's got to end sometime. Otherwise, nothing would ever get started." The next steps may be daunting, but they'll be exciting too. Remember J.R.R. Tolkien's words: "All we have to decide is what to do with the time that is given to us." Face life's challenges head-on, laugh often, and make every moment count.

**Thank you all.**

HEAD BOY

**Cameron Ross**

**HEAD GIRL**  
**Magdalene**  
**Ileremia- Apelu**

## TALOFA LAVA AND WARM GREETINGS!

At the start of this year, we faced the reality of our final year, with more challenges, expectations, and pressure. We began as eager juniors and now stand as seniors with responsibilities. We embraced changes, strengthened networks, and fostered an environment that welcomed every student at OHS.

It is an honour to stand here as one of your Head Prefects and the voice representing Year 13 students.

I believe we've achieved that. We adapted to changes, often with laughter but sometimes with tears. Alan Watts once said, "The only way to make sense of change is to plunge into it, move with it, and join the dance." We have truly enjoyed the dance.

Thank you! To Onehunga High School, Ms. Hayat, Ms. Huri, our Kaitiaki, and teachers: you reminded us there's always light at the end of the tunnel. We leave OHS with pride, loyalty, and courage. Fa'afetai tele lava!

To Cameron, thank you for your incredible support. Sharing this journey with you has been a privilege.

To our families: "O faiva e tapuaia, o faiva e a'e manuia." Your prayers, love, and support have made this journey possible. Fa'afetai tatalo, fa'afetai le alofa!

To my prefect team and Year 13 cohort: we made it! Thank you for your commitment, teamwork, and the unforgettable memories we've created. Together, we've grown, faced challenges, and celebrated successes.

As we move forward, remember Ralph Waldo Emerson's words: "Do not go where the path may lead, go instead where there is no path and leave a trail." Forge your own paths and make a positive impact.

To the 2025 Year 13s: leadership is about service, kindness, and courage. Embrace every moment, learn, and uplift those around you. Believe in yourselves, as we believe in you.

As I leave this chapter, remember: we are part of something special. The lessons, memories, and friendships will stay with us forever. Let's keep inspiring each other and aiming higher.

**Faafetai ma ia manuia.**

# ARTS AWARDS

The inaugural OHS Arts Awards was a joyous occasion. Students, whānau and staff came to celebrate the creativity and skill of our most talented young people.

Principal Shameen Hayat expressed her delight at having the Arts celebrated in the school. By honouring students in an awards ceremony, we want to encourage all students to pursue their passions and have their talent and hard work, valued and recognised.

Top Junior Student in the Arts- awarded to **Isabella Cathro**.

Top Level 1 Student in the Arts- awarded to **Harlin Kita-Mokalei**.

Top Level 2 student in the Arts- awarded to **Elsie Woodward**.

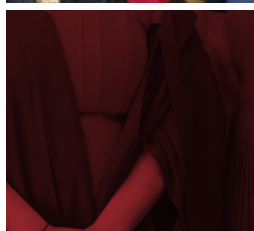

**Dux Artium- Aria Van Dolleweed.**

# FRAN COMPTON TEACHERS AWARDS

Fran Compton Awards for Outstanding Pedagogical Practice. This year's recipients of the Fran Compton Awards for outstanding teaching practice that most significantly impacts student outcomes were:

**Ms. Kate Crews and Ms. Tia Woodley.**  
Onehunga High School Alumnus Mr. Andrew Grant generously funds these awards.

# PASIFIKA AWARDS

THE INAUGURAL PASIFIKA AWARDS HELD THIS YEAR WERE A TREMENDOUS SUCCESS.

This was a wonderful opportunity for our school Pasifika community to come together and celebrate the many academic, cultural and sporting successes of our Pasifika students.

The Hon. Carmel Sepuloni attended the event and gave an inspirational speech urging all students to be resilient and determined in their pursuit of excellence.

## TROPHY WINNERS

- Jaanvi Lingham** - Academic Excellence .
- Pupi Ah Lam** - Embodies All School Values.
- Roy Ah Lam** - Embodies All School Values.
- Janice Nair & Riya Chettier** - Embodies All School Values.
- Nu'ufou Telea** - Pride in Culture.
- Denayla Tavui** - Pride in Culture.
- Athena Ngutu** - Resilience.
- Tj Gaogao** - Health Science, Leadership.

- Nuku Uasi**- Lea Faka Tonga.
- Denayla Tavui** - Gagana Samoa.
- Tj Gaogao** - Loyalty and Courage.

# BUSINESS SCHOOL

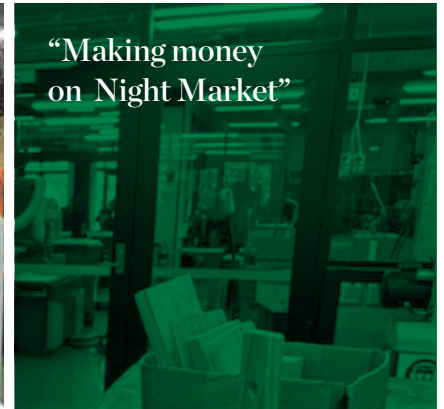

## 2024 WAS A YEAR OF OPPORTUNITIES

The market day was a huge success. After extensive planning and overcoming various production challenges, an impressive range of products was available for the many eager customers. Offerings included plants, candles, dog soaps, tote bags, wax wraps, jewellery stands, charcuterie boards, pre-mixed cookie jars, chili sauce, baked goods, tea mixes and to keep the shoppers happy, a sausage sizzle proved as popular as ever.

Level 2 Business students had a wonderful time on a trip to Wellington, where they visited both government departments and local businesses which provided a valuable context for concepts taught in the classroom.

There were opportunities for senior students to participate in every aspect offered by the Young Enterprise Scheme to enrich their learning experience. To quote Magdalene, "My business school highlight this year has been an open door of opportunities. I am very grateful for the opportunity and for the support from Ms. Ng. I got to do heaps of things like:

- Young Navigators YES
- Entrepreneurs in Action YES
- Girls Who Own Foodstuffs program
- Business is Awesome (Rotary club- Remuera)
- Student Ambassador for YES – presented an inductee into NZ Business Hall of Fame 2024"

“Making money on Night Market”

Jewellery stand in the making

# BUILDING SCHOOL

The best thing about the building school was that we got to learn a variety of useful construction skills and knowledge throughout the year while working at the site with our classmates. I really enjoyed it.

**Takuma Yabe**

What I liked about the building school is that we learned how to use power tools and we weren't in a classroom all day.

**Roman Teo**

Building your knowledge and learning new skills in a practical way was an awesome experience. **James McGovern**

Building and Construction is a great way to change your life around.

**Xavier Vai**

This was the first time since primary that I enjoyed coming to school.

**Luken Zulaika**

Building and Construction has been astonishing. I've grown a bond with all the boys. Mr Eastwood has taught me a lot of things though certainly not how to tell a joke.

**Junior Marurai**

Mr Eastwood is cool, he talks about life experiences and gives us awesome advice, I love building it's been my best year. **Shein Ioramo**

Sir's laugh is questionable BUT his teaching and building skills make up for it. **John'al Pome'e**

In the Construction class we learn to build dreams, Construction is awesome. **Cruz Piggott-Rawiri**

‘What I liked about the building and construction was working and learning outside and learning how to use power-tools’ just like Bob the Builder!

**Andrew Havili**

# COMMUNITY EDUCATION

2024 has been another busy year for our Adult Learning Centre. We have continued to offer courses that have long been favourites with our students, such as woodwork, sewing, upholstery, painting and drawing.

It has been pleasing to also see some new courses succeed. Students have discovered the wonders of Malaysian cuisine, learned how to take care of their indoor plants, advanced their crochet skills and discovered how useful ChatGTP can be to both their work and personal life.

We trialled some Saturday workshops this year offering soapmaking, candle-making and resin art.

**We will leave the last words to our students:**

**'I really enjoy the courses at Onehunga High School - the teaching and organisation are always high quality'**

**'Really enjoyed this class, great teacher, very clear and encouraging. Everything was awesome!'**

**'Thank you very much for offering these amazing courses; they are very valuable and I have thoroughly enjoyed mine and have learnt so much and continue to do so. So please keep them going.'**

**'Thanks to Onehunga High School for providing me with a great environment for learning English, which has made me fall in love with English more and more'**

# DANCE/DRAMA

## IT'S BEEN AN ACTION-PACKED YEAR FOR OUR TALENTED ACTORS AND DANCERS IN THE PERFORMING ARTS DEPARTMENT!

In Term 2, our Year 12 and 13 Drama students brought the classic Little Women to life on stage, showcasing their hard work and dedication in a heartfelt performance.

Term 3 was exciting, starting with the incredible Dance Showcase featuring our Year 11, 12, and 13 students. The evening celebrated their creativity and hard work throughout the year. For those who attended the Arts Awards, you may have caught some of our dancers performing excerpts from the showcase!

We also had the honour of hosting the Theatresports Youth Programme (TYP) Auckland finals for the first time in over seven years. Our OHS Theatresports team made it to the finals—an incredible achievement!

The year wrapped up with a fantastic performance of The Importance of Being Earnest by our Year 11 Drama students, finishing the year on a high note.

Congratulations to all the students involved in these memorable events, and a heartfelt thank you to the staff and parents who provided invaluable support throughout the year. What an unforgettable journey!

# MUSIC

2024 has been an extraordinary journey for our Music Department - marked by exciting firsts and outstanding achievements.

An early highlight was the prestigious Red Eagle Scholarship, awarded to Cameron Ross and Nu'ufou Telea. During the summer holidays, they travelled to Geelong, Australia, to attend a Music Camp. They represented our school with talent and dedication.

We also launched our inaugural Year 10 Band Programme through the itinerant music initiative. This included a vocal group, a jazz band, and a strings group, allowing students to explore various musical styles and techniques.

For our Junior Music students, the "Can You Be a Conductor" Programme was a standout, where select students received professional training from Auckland Philharmonia Orchestra (APO) representatives. They even had the rare chance to conduct the orchestra during a rehearsal—a memorable experience for all involved.

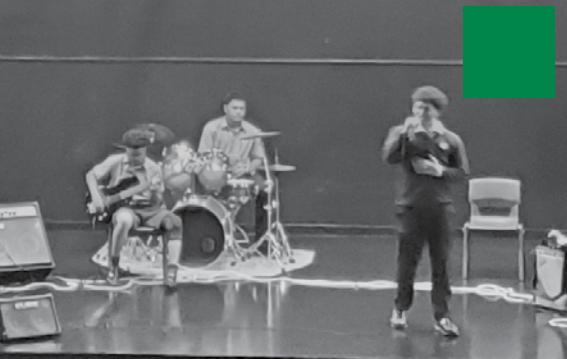

Further support came through the APO mentorship programme, where three music mentors worked closely with students, refining their performance skills and inspiring new levels of confidence.

Earlier in the year, Term One saw the exciting debut of the "Battle of the Bands," where Level 2 and Level 3 Music students showcased their talents in a friendly, yet fierce competition.

Our students shone on the competitive stage, participating in events like Rockquest, with our school band, Aria's Circus, and the Stand Up, Stand Out competition. Additionally, for the first time, we entered the Big Sing festival, delivering a stunning rendition of Elvis Presley's, 'Can't Help Falling in Love'.

To wrap up the year, we witnessed another debut - The Year 13 Graduation Gala Concert. This event was run and organised by the Year 13 Music students who entertained a large crowd of whānau and friends with a varied music programme.

Thanks to the collective effort of our students, staff, and whānau, 2024 has been a remarkable year for music at Onehunga High School. We look forward to more melodic moments in the years to come.

# CAREERS

## EXPLORING PATHWAYS BEYOND OHS!

This year, our students embraced opportunities to explore a range of career options — taking up paid internships, attending expos, and participating in workshops to prepare for life beyond OHS.

More than 300 students engaged in one-on-one career counselling, and many more attended weekly Careers Insights seminars, where they were inspired by a diverse group of guest speakers — from lawyers and electricians to flight attendants and rugby pros. Thanks to all the companies that hosted our students for workplace visits, highlights included the trip to Service Foods, where students explored opportunities in food and hospitality, and Meredith Connell, a law firm in the city, where they got a glimpse of a lawyer's daily life.

Year 13 students also had the chance to attend seminars hosted by NZ universities and polytechs, gaining valuable information to help with their decision-making and planning. Other students toured trade schools and specialised training institutions, such as the International Travel College and ProSport, to further research tertiary study options. Many Year 12 students took up the opportunity to attend Catalyst days at Auckland University to learn more about university life and the career paths available.

Our Year 13 Māori students participated in the Kei Runga Ki Mua Careers programme, a series of working lunches with inspiring guest speakers. Our Pasifika students enthusiastically joined the Pacific Island Leaders of Tomorrow workshops and the Young, Free, and Pacific days.

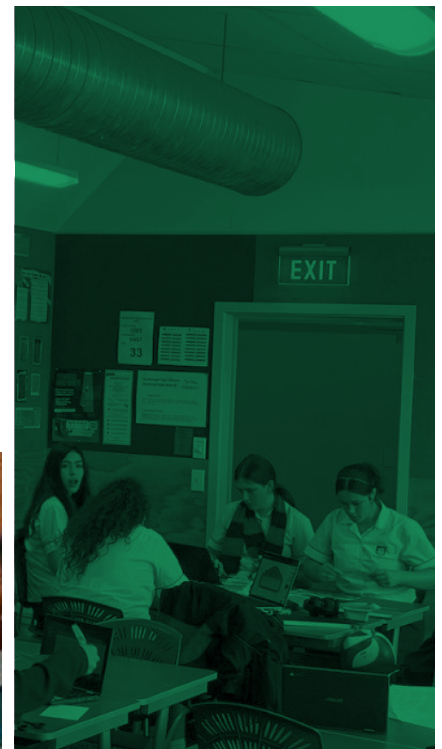

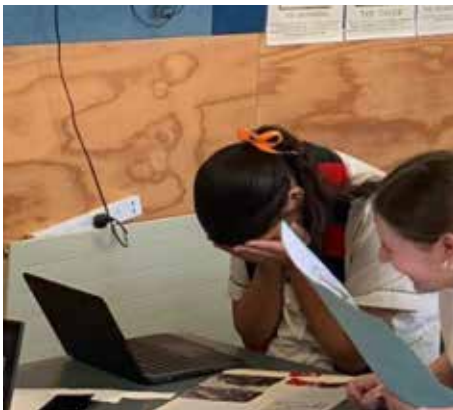

These experiences have helped our students make informed decisions about their futures and connected what they're learning in the classroom to the world of work. It's been a year full of exploration and inspiration, and we congratulate our students for working so hard to create a roadmap for their next steps beyond OHS!

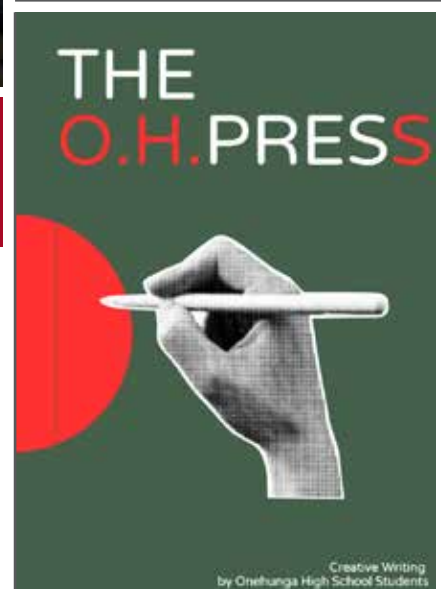

# ENGLISH

THIS YEAR, THE ENGLISH DEPARTMENT HAS ENJOYED WATCHING STUDENTS SUCCEED IN THEIR ENDEAVORS BOTH IN THE CLASSROOM AND BEYOND.

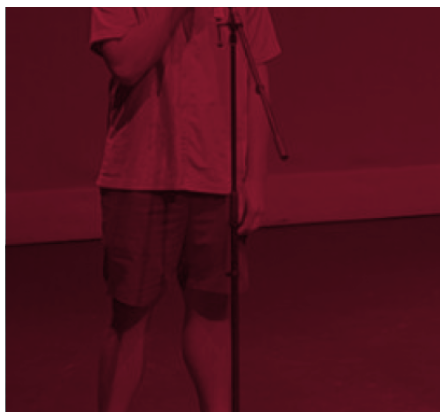

Our Year 9 and 10 students began the year with some outstanding work. For their Raranga assessment, Year 9 students were tasked with researching a place in Aotearoa significant to them and their whanau, specifically focused on the historical significance of the place to both Māori and Pakeha. Raranga means to weave together and students had to weave their research and a piece of descriptive writing into a beautiful, cohesive poster presentation. Similarly, Year 10 students selected a pūrakau or pakiwaitara from Aotearoa or the Pacific to research and use as inspiration for an original piece of creative writing. They too brought all of their elements together into a thoughtful poster presentation.

Year 10 students working hard during breaktime to put the final touches on their Pūrakau & Pakiwaitara posters.

The Onehunga High School Debate Team, overseen by Ms Shelley Plowman, has gone from strength to strength in 2024. In Term One, our Junior debaters Daniel Grange, Ja-bez Halasima, Cleo Milne and William Scott had their first foray into competition, taking part in the New Zealand Schools Debating Regional Competition against other high school teams. This was an invaluable opportunity to gain some experience and hone their skills; after winning one of their debates in this competition, Daniel, Ja-bez, Cleo, William and Nathan Marshall then represented OHS in the Auckland Schools Debating – Junior Open. This was the first time our school had been represented in this competition in many years and the team performed superbly, winning three of their five debates in the preliminary rounds. A further highlight was the Teacher Student Debate, which saw students and their teachers go toe-to-toe in a lively competition as they debated the motion “Are we Living in a Dystopian Society?”

We are also extremely proud of our spoken word poets who bravely took to the stage to speak about the topics that matter most to them during the WORD – The Front Line competition. With the support of their Teacher in Charge, Mrs Sarah Cotton, senior poets Kara Belk, Nafisa Bulale, Dennis Mailangi, Asher McCarten and Taylah Stewart made it through to the semi-finals and competed valiantly against other young spoken word artists from across the motu. Each and every one of them made our kura proud, wearing their hearts on their sleeves and standing tall in front of the large crowd at the Herald Theatre. After the competition, the students were already thinking ahead to next year, looking to return with a bang in 2025.

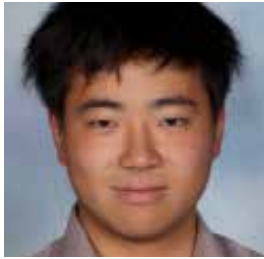

# INTERNATIONAL DEPARTMENT

Onehunga High School's International Department welcomed a diverse group of students from around the globe. Over 700 short-term international students and 17 long-term students enriched our school community. We were delighted to host:

## JAPAN

Yuto Suzuki **12WT**

Riku Matsumoto **11GB**

Kiren Morisaki **11GA**

Zaion Shimizu **11PW**

Hikari Kitao **11GA**

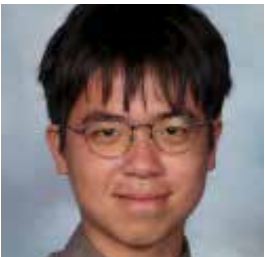

Reina Nasu **12FOSS**

Kokoro Horai **12GI**

Their presence added vibrancy to our campus, fostering cultural exchange and global understanding.

## CHINA

Joe Li **10PD**

Jeremy Xia **13RT**

Max Wu **10FR**

Chengyu Lan **11WD**

Ella Han **11WD**

## GERMANY

Ava Herzer **9LL**

Jona Stark **13WD**

Raphael Hohm **10GR**

Anton Mueller **11TR**

Annika Pomp **11GA**

# ESOL

The ESOL department has had a great year. Our student numbers have grown as we have welcomed new migrant and International students. It has been rewarding seeing our ESOL students involved in sports teams, cultural activities, and performing musical items at whole-school assemblies. Academically, some of our students have performed very well, enjoying success and recognition at our final senior assembly. I wish the ESOL Department continued success as I head off to retirement.

**Nonette Roberts**

# SOCIAL SCIENCES

This year, the Social Sciences department brought history, politics, and geography to life with hands-on experiences and engaging activities. Year 11 and 12 History students attended a remarkable lecture by Minnijean Brown-Trickey, civil rights trailblazer and member of the Little Rock Nine, gaining insight into resilience and activism. Meanwhile, our students took on the world stage at MUNA, debating global issues passionately and skilfully.

A group of five senior students were fortunate enough to travel with Ms Elianna Gabriel, to the Tsunami Awareness Day held in Kumamoto, Japan. They returned inspired by what they learned and with unforgettable memories of a wonderful trip.

Year 13 Geography students enjoyed an unforgettable field trip to Rotorua, exploring geothermal landscapes and cultural heritage firsthand. We also proudly introduced Travel and Tourism as a subject, with Year 13s visiting the historic Rangiriri Pa to connect classroom learning to real-world heritage. Back at school, our Year 9s showed fierce (and tasty) competition in the Chocolate Game—Kauri came out on top! These activities reflect a vibrant year in Social Sciences, filled with discovery and connection.

# FOOD & HOSPITALITY

The Food & Hospitality Department continued its upward trajectory in 2024, marked by a record number of students in the department, exceptional student achievements and the forging of new partnerships within our community.

One of the highlights of the year was the Global Dinner, an ambitious event that showcased the culinary and service skills of our Level 3 Catering students and our Level Two Food and Hospitality students. Tasked with serving a delectable three-course meal to 120 guests, our students rose to the occasion producing some great food. This format of event where families are invited in is something we will look to continue moving forward as both students and families enjoyed seeing the work that was produced.

In addition to the Global Dinner, our students continued to shine in other events throughout the year, including the Rotary Dinner and the ever-popular Canapé Evening. These events, held in our pop-up restaurant space at school, provided further opportunities for students to showcase their talents and gain

valuable experience. Rotary was particularly pleased with this year's food stating that "it was better than most restaurants." The students in the Level Two Catering class should take pride in such incredible feedback.

The students in the Level Three Food and Hospitality course achieve the majority of their credits through table service. Working with the hospitality team at Jet Park Hotel our students provided table service for a wedding. Their performance and professionalism was exceptional and they received excellent feedback from Jet Park and guests.

As we look ahead, the Food & Hospitality Department is excited to continue expanding our horizons, providing our students with even more opportunities to learn, grow, and make their mark in the culinary world.

# GATEWAY

Our Gateway Program had fantastic support from the local business communities, both in Onehunga and Mangere Bridge. We have made new connections with businesses and reconnected with those who have generously come forward to support our young people.

As a result, we have been able to offer students work experience in a large range of workplaces from Automotive, Civil Engineering, Electrical, and Plastic Fabrication, to exciting experiences at cafes, fast food restaurants, and various retail stores.

The feedback has been positive about our students, with employers commenting on their initiative, independence and attitude. Several students have gained part-time work or apprenticeships as a result of the work they put in while on their Gateway placement.

We are grateful to all those who support the Gateway programme and are always keen to hear from any business that would like to provide a student with an insight into their industry.

**Maree Forsyth- Gateway Co-ordinator**

# PEER SUPPORT

## THE PEER SUPPORT PROGRAMME AT ONEHUNGA HIGH SCHOOL IS DESIGNED TO HELP YEAR 9 STUDENTS TRANSITION SMOOTHLY INTO HIGH SCHOOL.

Being selected as a peer support leader was an honour that came with significant responsibility. Initially, I was apprehensive about my ability to guide others; however, the training provided by the school helped me develop essential skills.

One of the most rewarding aspects of being a peer support leader was the opportunity to build meaningful connections with junior students. By creating a welcoming atmosphere, where students were encouraged to share their feelings and experiences. We had excellent feedback from Year 9 students who expressed gratitude for having someone to turn to when they faced challenges.

The benefits of the Peer Support Programme are felt throughout the school. It contributes to a positive school culture where all students feel valued and supported.

**Scarlet Nguyen- Peer Support Leader**

# MATHEMATICS

THIS YEAR, THE MATHEMATICS DEPARTMENT HAS CELEBRATED SEVERAL ACHIEVEMENTS AND NAVIGATED SOME CHALLENGES.

To start, all Year 10 students were given the opportunity to sit for the Numeracy test to earn 10 NCEA credits. This experience provided them with valuable exposure to an external examination environment, building their confidence and preparing them for future NCEA assessments. Those who successfully earned their credits are now inspired to aim for Merit and Excellence in next year's evaluations.

Additionally, a group of enthusiastic Year 9 students participated in a Science, Technology, Engineering, and Mathematics (STEM) competition, where they demonstrated outstanding skill and dedication. Their hard work paid off when they emerged as champions of the Regional (Auckland) tournament, earning them the honour of representing OHS at the National level, where they impressively secured the runner-up title!

This year also marked the first experience for Year 11 students with the new curriculum changes and exam format. Adapting to a blend of digital and traditional exam methods, the students approached the challenge with a positive attitude. Their efforts led to a pleasing pass rate in internal exams, building a promising foundation for both internal and external exams in this new format.

The Mathematics Department is proud of these accomplishments and looks forward to building on this momentum in the coming year.

# MEDIA STUDIES

## MEDIA HONOURS BOARD 2024: EXCELLENCE IN FILMMAKING

Ka pai tō mahi to the following students who earned the top Excellence mark for their films this year!

LEVEL  
**3**

### DOCUMENTARIES

Alphaeus directed by Richmond Pascua (13RT) & Brent Andrei Dulin (13CO)

LEVEL  
**2**

### HORROR FILM TRAILERS

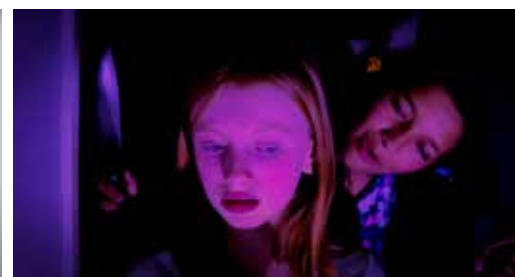

Betrayal directed by Lile-Rose Sinisa (12CE) & Rotralea Lavea (12CE)

Ronald directed by Aden Jalili (12LU), Samuel Rippon (12CE), & Henry Grange (12CE)

Safe Space directed by Jacob Cooper (12WT) & Vinnie Carter (12LU)

Wake Up directed by Snow Ba (12TO) & Rosie Taylor (12LR)

Would You Rather directed by Emerson Rockell (12GI) & Jessica De Silva (12GI)

## CENSOR FOR A DAY

In Term 1, the Level 2 and 3 Media Studies students attended the NZ Classification Board's 'Censor for a Day' event. Students learned about the film and game rating system in New Zealand, then watched a pre-released movie, 'Dream Scenario' starring Nicholas Cage. Students had to decide what they thought the movie should be rated, using the NZCB's criteria. This was an excellent opportunity for our students to see behind the scenes and discover how the local media industry works. Some even decided they had found their dream job!

## 48-HOUR FILM COMPETITION

Always a Media Department tradition, OHS entered two teams of Year 12 and 13 filmmakers into the annual 48-Hour Film Competition. This year, teams were required to make a short film in the Fantasy genre, featuring specific characters, narrative, and film techniques, all in a single weekend! The Year 12 team made a film called Milk Run, featuring a dramatic midnight break-in to fetch a jug of milk, while their Year 13 classmates made a film called Fairy Ring. Our teams did incredibly well to produce high-quality films in such a pressure-filled environment.

## SPOOKERS THEME PARK

This year, the Level 2 Media class was immersed in the Horror genre, so a visit to Spookers theme park on a cold Friday night in Term 2 provided quite the inspiration! The visit to Spookers was invaluable in developing their understanding of the genre before they created their horror film trailer, aimed at getting the audience's heart racing. At the end of the night, students also had the opportunity to hear from Spookers' staff about the inner workings of this popular attraction. A spooky time was had by all!

# PE & HEALTH

This year in PE and Health was packed with exciting changes, new faces, and plenty of memorable moments! We said farewell to Anna Holden and Chad Coombes, who will be greatly missed. But we also welcomed two fantastic additions: Jason McGill all the way from Ireland, and Scott Collins, who have both hit the ground running with their enthusiasm and fresh ideas.

Our junior students were busy as ever, getting out and about with walks to Onehunga Bay to learn about our local community, biking around the basin, and engaging in a wide range of sports. From developing teamwork and communication skills to tackling real-world health issues, they did it all! Highlights included health promotion projects where students identified key health issues and designed creative solutions, proving there's no shortage of young leaders here. The Athlete Development Programme focused on becoming well-rounded athletes, both physically and mentally.

For our seniors, the year brought new challenges, especially for Level 1 PE and Health students who navigated the new NCEA Level 1 changes. They even became filmmakers, showcasing their skills in netball games while exploring the

concept of kotahitanga and teamwork strategies. Level 2 PE students took on white water rafting looking at risks and how to mitigate them. They gained insights into biophysical principles, leadership, and social responsibility. Meanwhile, Level 2 Health students launched innovative health promotions—from Instagram awareness campaigns on endometriosis to workshops empowering girls, videos supporting mental health, and running sports sessions with Royal Oak Intermediate students. This hands-on experience not only promoted a sense of tuakana-teina but also allowed our students to develop leadership skills while giving back to the community.

Level 3 PED and CPE students participated in the Tough Guy and Gal mud run for the

fourth year running, and their badminton skills were taken to new heights. L3PTS students improved their leadership skills by creating and running their training programmes. They learned how to design effective fitness plans and saw firsthand how these could help them achieve their goals. A brand-new initiative this year was our "Student of the Month" awards, where we celebrated our students' hard work and achievements. It was a joy to see their faces light up when they spotted their names proudly displayed on the PE office window.

As we wrap up 2024, we look forward to 2025, ready to continue building on these experiences, fostering growth, and creating even more opportunities for our students to thrive.

# TE WIKI O TE REO MĀORI

## “AKE AKE AKE – A FOREVER LANGUAGE.”

In 2024, our students participated in activities to support the Māori Language Week theme to embrace and protect the language for future generations, Ake Ake, Ake, forever and ever. Our own school community was challenged with bringing some te reo Māori into our everyday language, with expressions and everyday phrases shared for everyone to use. We acknowledge all those who were brave enough to face the fear and give it a go. Haere tonu! Keep going! The journey to te reo Māori begins with one word.

“Nāku te rourou nāu te  
rourou ka ora ai te iwi”  
With your basket and my  
basket the people will live

During the week, the Kapa Haka group performed for very excited tamariki from our local primary and intermediate schools, who enthusiastically responded with their own waiata and haka. At Royal Oak Intermediate, OHS students ran tuakana/teina workshops, sharing their knowledge of tikanga Māori and helping Royal Oak students to feel a sense of pride and confidence in their identity and Māoritanga. Everywhere the group visited and performed, their enthusiasm, joy and pride in their culture was seen, heard and felt by all.

In Te Ao Māori, all good things end with kai! The week ended fittingly with a hākari to bring our whole school community together for a kai and to celebrate. For many students and staff, it was their first experience of kai prepared in a traditional hāngī. It was a resounding success. The food was delicious. Feeding over 1000 people takes an enormous amount of work. Thank you to Ngā reo rau o Te Haerenga, our Māori committee, and in particular Owen Sinclair, Wane Warehau, and the whanau kaitiaki class for providing this experience for us. Thank you also to all the people who so generously donated food.

# SCIENCE

## SCIENCE & PŪTAIAO DEPARTMENT HIGHLIGHTS

It's been a stellar year for the Science/ Pūtaiao Department at Onehunga High School, packed with exploration, achievement, and hands-on learning. Our students immersed themselves in exciting field trips, from the rocky shores of Leigh Marine Reserve to the thrilling experiments at Rainbow's End, interactive exhibits at MOTAT, and rich coastal ecosystems. These experiences brought science to life beyond the classroom, sparking curiosity and a deeper understanding of the natural world.

Our team also welcomed new teachers to our science whānau, and our revamped tutorials have been bustling with enthusiastic students, leading to strong achievements across the board, and engaged well in our refreshed NCEA Level 1 curriculum. The practical science labs have been a hit, and our legendary Detective Science unit had Year 10s solving the "Case of the Stolen Arc Reactor" with forensic skills any detective would be proud of!

A highlight for our senior students was Jake Shearer, a standout Year 13 student who earned a fully funded place at the prestigious Elaine P. Snowden Astronomy School. Jake travelled to the University of Canterbury and Mt John Observatory in Tekapo to expand his passion for Astronomy. Additionally, our Pūhoro STEM Academy students attended off-site workshops to great acclaim, showcasing the potential of our rangatahi in the fields of Science, Technology, Engineering, Mathematics, and Mātauranga Māori. Our HSA (Health Science Academy) programme has continued to allow students to explore future career paths within the medical world. This year marked the introduction of a new badge system to recognise students' dedication and passion for pūtaiao. Our

Academy students had the opportunity to attend several Leadership Events and trips. These events, organised by the Te Whatu Ora FOU team, were tailored for each year group. It was a valuable opportunity for our students to broaden their understanding of health career pathways by hearing from health professionals, building networks with other HSA schools in the program, and developing their leadership skills.

"HSA academy has been busy all year round with hospital trips, leadership workshops to support our students leaving for university and students coming into year 12 and 11. The students have enjoyed the experiences and feel more prepared than ever." - HSA Leader Janice Nair 13LR

Our Year 9s enjoyed a virtual dive into New Zealand's marine ecosystems with the Peter Blake Trust, and our Level 1 Science in Context students received an inspiring visit from the team at Sanitarium to explore nutrition.

With passionate young scientists excelling and experimenting all year long, we're thrilled to reflect on such a dynamic year. Here's to another year of science, pūtaiao, and discovery in 2025!

# CLUBS AND GROUPS

## CHESS CLUB

Chess is popular at Onehunga High School. Every break you can see friends playing chess. In 2021 students started Chessmates. This year our chess club benefitted from having two new teachers, Mr Lai and Mr Prakash. They welcome players of all skill levels from absolute beginners to those with high ratings on chess.com. Ka nui te mihi Yuto Suzuki (12WT), Aniket Bailwal (12FOSS) and Siutiti Mafi (10HL); we are inspired by your skills at chess and how much you have contributed to our chess club in 2024!

## DUNGEONS & DRAGONS (D&D) CLUB

D&D is a popular tabletop role-playing game (RPG) where players create unique characters and embark on imaginative adventures led by a storyteller, known as the Game Master (GM). D&D offers a dynamic, open-ended experience that allows for endless creativity and exploration. The D&D club has many benefits and helps students grow in important ways. It builds teamwork, creativity, and problem-solving skills as students work together, plan, and make decisions in a fantasy world. The club is a safe, welcoming space where students can express themselves and connect with others. The team has approximately seven staunch members, but we are always on the lookout for more!

# ENVIROCLUB 2024

Our Enviroclub students have been working hard in 2024 to keep the food waste scraps out of the student cooking kitchens. A group of students volunteered and worked alongside the Food and Hospitality department and Sarah and Kristine, our Onehunga Community activators, to set up a system to collect all the food scraps. The food scraps are delivered to the Royal Oak Intermediate community compost hub where the food is turned into compost and used to grow vegetables that are used by the ROI school community. Composting is a key area for Enviroclub focus in 2024 and into 2025, with our Senior students leading a research project looking at implementing composting systems which will further support the school's green waste management goals.

Some of the other collaborative student-led projects of 2024 included, planting and weeding parts of the gully to the south west of the school grounds, participating in a Kahui Ako Youth Sustainability Leaders Forum Hui designed to foster leadership in student-led sustainability projects across our Onehunga school community, and helping out at the Onehunga Peoples' Garden with planting and weeding days. The OHS Enviroclub has also organised our own OHS school planting days at the Onehunga Peoples' Garden.

Several of our Junior students also joined the Kahui Ako Enviroschool's reflection day with neighboring primary and intermediate students to reflect upon the projects they were involved in. A highlight of the year

was our OHS Enviro Scavenger Hunt, a cryptic series of posters designed by our students and placed around the school as an educational puzzle campaign to support our student and staff community in allocating waste into the right bins.

**Shelley and Kate**

## READERS CUP

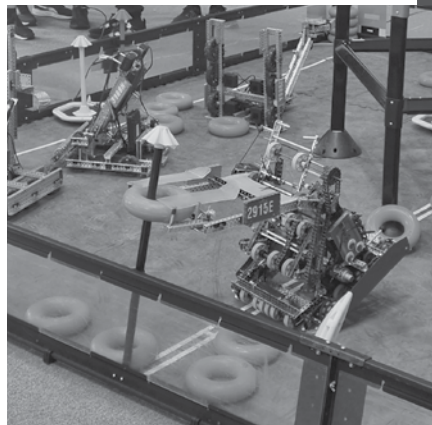

Five avid readers represented our school in the East and South Auckland Year 9 Readers' Cup 2024. Ka nui te mihi Arlo Gould, Chloe Simmons, Jacob Henderson, Lily Schultz and Shea Mendis. Together, they read six books to prepare for a literature quiz at Sacred Heart College. Our students enjoyed an excellent celebration of books, reading, and sharing their love of literature with other like-minded students.

# DUKE OF EDINBURGH AWARD

This year, the Duke of Edinburgh Award group got underway at OHS, with students from years 9-12 getting involved. To receive the bronze level of the Duke of Edinburgh award, you must log 3-6 months of weekly sports, skills, and service, along with 2 tramps. At the end of July, the Award group completed their first practice tramp in the Coromandel, with their destination being the Pinnacles - climbing 600 metres in elevation from their starting point at the carpark. The Billy Goat track was taken on the return journey - its name fitting for the rugged terrain - with a river crossing to finish it all off. The group will take on their second qualifying tramp at the end of November at Whatipu, and will camp at Pararaha Valley in the Waitakere's. They plan to explore the caves and swim in the waterhole at camp, and if the weather permits, they'll take the beach back. If you are aged 14 and up and the Duke of Edinburgh Award sounds like it might be for you, then come along and join in the fun next year!

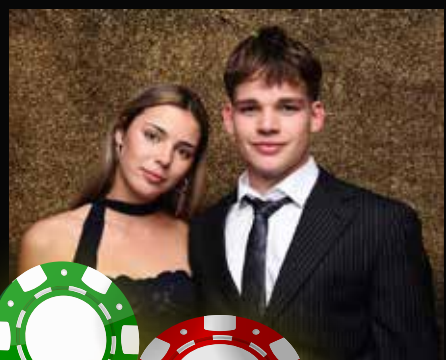

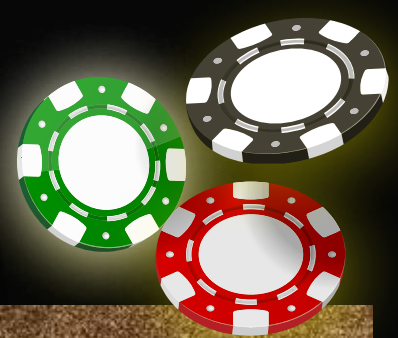

Olivia Clark, Year 11

# ROBOTICS

OHS Robotics teams continue competing at scrimmages all over Auckland. This year also saw our first road trip to Otūmoetai College in Tauranga. After school, our teams enthusiastically develop and rebuild their robots to be more and more competitive for each scrimmage round. A huge thank you to our coaches: Mr Doug Bryan, Alister Faid and Noah Newby.

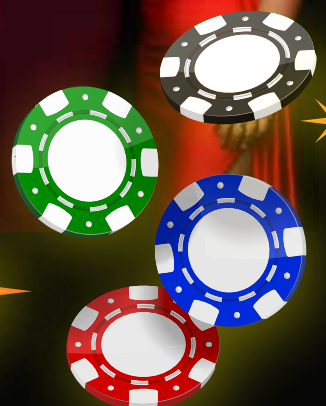

W E L C O M E  
TO Fabulous  
**LAS VEGAS**  
NEVADA

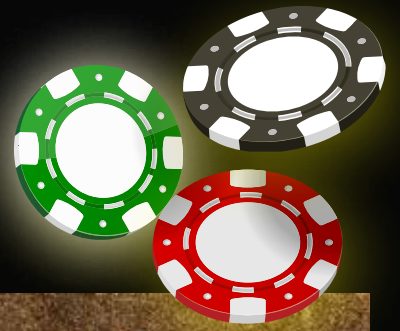

Ball  
2024

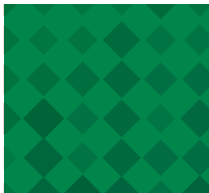

**GLITZ & GLAMOUR**

# SAMOAN

Samoan language students take immense pride in their culture and language, which they have graciously shared with the OHS community. From ava ceremonies and food stalls featuring Samoan favourites, to games, captivating performances, and teaching Samoan phrases during Samoan Language Week, these students have demonstrated enthusiasm and generosity in celebrating and sharing their heritage with others. Fa'amalo!

# TONGAN LEA FAKA-TONGA

Many Tongan students take pride in learning and embracing their language and cultural heritage. Tongan language studies are offered from Year 9 through to Year 13, providing students the opportunity to develop both linguistic skills and cultural understanding. Students demonstrate their cultural pride through active participation in events such as Tongan Language Week, Polyfest, and by striving for academic excellence. Additionally, the Tongan Leadership Programme enriches their experience, equipping students to become effective leaders and positive role models within their communities.

# FRENCH

This year, Year 9 students had the opportunity to learn French, which was a memorable and enjoyable experience for us all.

Led by Ms Huri, students learned about the French language and culture. Our lessons ranged from learning vocabulary and conjugating verb tenses to exploring subjects such as French cuisine, the rich history of France and the influence of the French language and culture in the world today.

For most of the students, this was their first foray into learning French and it has proved to be very popular, with many opting to continue with their studies next year.

# CHINESE

**My name is Jennie Bow. I was a year 10 in 2024.**

When I first joined OHS I decided to take the language Chinese as one of my subjects. I was nervous when I took the first class because I had never tried to learn a language before. But over time thanks to Miss Wang I gained confidence with her encouragement and helpful teaching schools.

Learning Chinese is now one of my favourite subjects because I have had many moments full of laughter and have come so far that I have made friends with our school exchange students while speaking Chinese.

One of the favourite things I have done in Chinese is our speaking activities. I find these funny because everyone in our class tries their best to speak and we support each other no matter how chaotic the activities may turn out.

Next year I will continue to take this subject as I enjoy it a lot and believe I will benefit from being able to speak a different language.

**- Jennie Bow Year 10 of 2024**

# ACADEMIC COUNCIL

This year, the Academic Council set its sights on coming up with initiatives to support Onehunga High School students to succeed in their learning. Led by prefects Cameron Ross, Sujay Narendra Mahesh Babu and Oscar Parker, the Academic Council members aimed to promote the importance of academic success, while highlighting the fun and joy of learning.

The Academic Council's key initiative this year was the creation of a biweekly after-school study space. On Tuesdays and Thursdays, the Academic Council monitored a space where students could meet with their teachers, get support with their classwork and assessments, and study in a focused environment. At times, the number of attendees at the study space reached more than 70, highlighting just how successful and necessary this space was.

The Academic Council also organised a quiz in Term 4 to offer students a chance to work collaboratively with their peers to answer questions on a range of topics. The Council wanted to give students a chance to use their knowledge from the year's learning while also highlighting the enjoyment that can come from learning and working together.

Well done to all members of the Academic Council who worked so hard to promote a love of learning in our school.

## ACADEMIC COUNCIL MEMBERS:

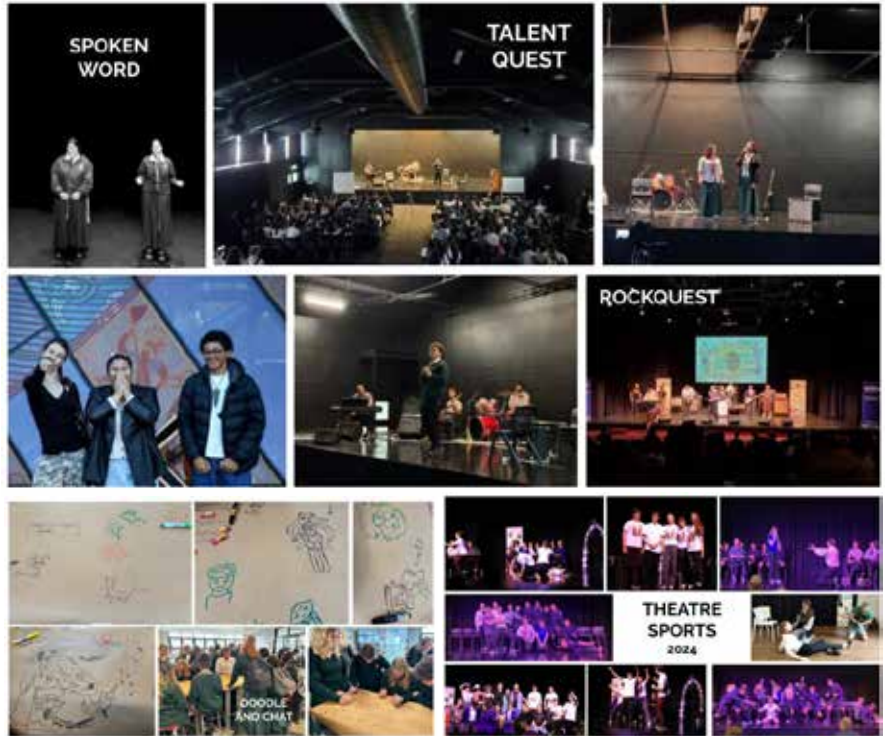

- Alesana Mamea, Joyce
- Ansari-pour, Ahura
- Brady, Destiny
- Cathro, Isabella
- Fong, Amelia
- Forman, Jonathan

- Mendis, Shea
- Noorazrin, Aniq Azfar
- Parker, Oscar
- Patel, Mihir
- Pulupaki, Leni
- Ross, Cameron
- Schultz, Lily
- Scott, William

# ARTS COUNCIL

In 2024, the Arts Council has been buzzing with creativity, offering students a range of exciting activities to showcase their talents. One of the highlights has been the annual Talent Quest, where performers from all over the school come together to sing, dance, and wow the crowd with their skills. Another favourite has been Doodle and Chat, a casual and fun space for students to unwind and express their creativity through art while chatting with friends.

We are delighted to have been involved with the planning for the hugely successful, inaugural Arts Awards Evening where our most creative students were recognised for their considerable talents.

**Well done to our wonderful prefects Aria van Dolleweerd, Ella McGuigan, and Scarlet Nguyen.**

# HAUORA COUNCIL

This year, the Hauora Council has made significant strides in fostering a supportive and healthy environment for our students. Our successful events, such as Pink Shirt Day, showcased the incredible involvement of our school community in promoting kindness, inclusivity, and a stand against bullying.

Additionally, we are thrilled to announce the revival of our Breakfast Club, ensuring that every student has access to a nutritious meal to kickstart their day. By offering free, nutritious breakfasts, we ensure that no student starts their day on an empty stomach. This initiative fosters physical health and a sense of community and care.

Our council is deeply committed to addressing mental and physical health, and we encourage all students to take advantage of the resources available at

the Hauora Centre, empowering students to take control of their well-being with confidence. By fostering an environment where every student knows they have access to help and guidance, we are shaping a stronger and healthier school community. Together, we can create a thriving school community where every student feels valued and supported.

# CULTURAL COUNCIL

Ka mau te wehi, Riya Chettair and Janice Nair, the leaders of the Cultural Council in 2024. Your warmth encouraged 23 students to collaborate and create wonderful celebrations of cultural diversity and global citizenship.

By establishing Cultural Diversity Week at Onehunga High School, the Cultural Council allowed students to feel proud of their cultural background and celebrate all the cultures at our school. Ka nui te mihi to the students in the Cultural Council. With your teachers, your friends and your families, you organised more performances and more food stalls than ever before. Your posters encouraged more students to wear their cultural attire, and your fundraising efforts contributed to the success of the first Pasifika Awards.

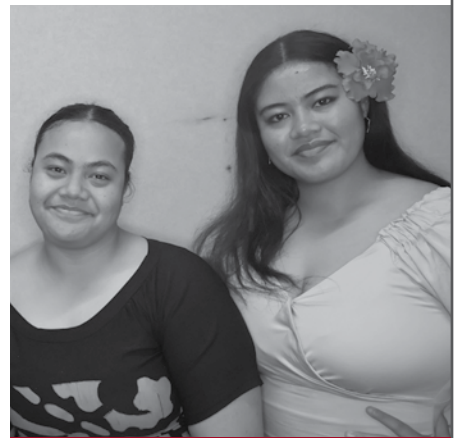

**YEAR 9:** Moe Apelu, Angeleen Dutt, Toren Paston, Shrimy Patel

**YEAR 10:** Cohan Harrison-Kauie, Jade Kirby, Keeley Leavasa

**YEAR 11:** Alofa Lawrence, Atelaite Mateaki

**YEAR 12:** Kara Belk, Xander Escueta, Tonga Leka Fakatava, Tali Feu'u, Adin Raman, Liam Rihia, Lile-Rose Sinisa, Tatiana Takai, Amber-Keisha Kuluia Hampton-Toko-Mikahere

**YEAR 13:** Riya Chettiar, Janice Nair, Olivia Pepa, Denayla Tavui, Roman Teo

# SERVICE COUNCIL

This year, our Service Council brought together a dedicated group of 17 student leaders from Years 9 to 13, united in their mission to strengthen community ties and engage in meaningful service projects.

Our efforts included a collaborative project at Onehunga Peoples Garden, where students participated in weeding and planting to revitalize this valued community space.

The SVA Service Award Club offered another avenue for meaningful service. Students logged volunteer hours through a five-level system, earning pins and building a Summary of Service. By aligning their actions with the United Nations Sustainable Development Goals (SDGs), they gained insight into the broader impact of their efforts.

Our Council proudly joined the World Vision 40-Hour Challenge, centering our efforts on climate change—a crisis that impacts us all, particularly our Asia-Pacific neighbors. Through initiatives like Farmer Managed Natural Regeneration (FMNR), we are committed to the ambitious goal of restoring 1 billion hectares of forest within the next decade. By participating in this global movement, our students are actively contributing to a future where both the planet and its people can flourish.

The 2024 Service Council has shown exceptional commitment to both community and environmental causes.

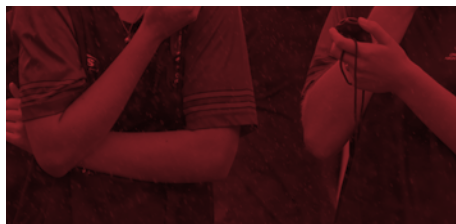

# SPORTS COUNCIL

The Sports Council this year has worked collaboratively to promote sport at our school with a focus on participation for all students. They planned for students to have the opportunity to try new things and increase their interest in different sports. Regular meetings to plan lunchtime events with guidance from the Sport Auckland Active Recreation Advisors helped the council members develop their ideas. The supervision of these activities along with sports leadership opportunities at our school sports events, such as Athletics and Swimming events, were also a big part of the council's responsibilities this year.

Fantastic leadership was shown throughout the year by our leaders Pupi, Luke and Nu'ufou, leaving the group to continue to build on the good work from this year in 2025.

## COUNCIL LEADERS

# TECHNOLOGY

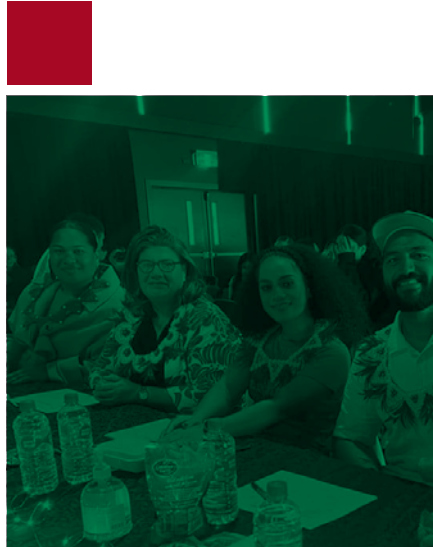

## DESIGN & VISUAL COMMUNICATION

Some inspiring projects were completed in Design and Visual Communication this year. The Level 3 class produced impressive projects showcasing their concepts for a new light rail station in Onehunga.

## PRODUCT DESIGN

Students at all levels have enjoyed designing and making a range of products using various materials. Their design work was inspired by elements of their identity and the local environment. Students have been excited to learn new skills using both modern and traditional techniques and machinery.

## LALAGA EVENING

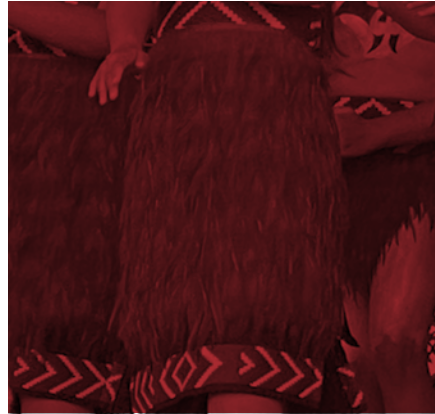

The Lalaga Evening for the students and whānau of our 10 Kahui Ako schools was a wonderful community occasion attended by over 1000 people.

Students came together to showcase their talents. We were treated to some fabulous performances. There were Tongan, Samoan, Cook Island, Tahitian and Scottish cultural performances. The Kapa Haka group from Waterlea primary was impressive. The break dancers delighted the enthusiastic audience of supporters.

This was an example of how our diversity enriches our lives. It was an event designed to unite us as a community and it certainly did that.

# POLYFEST

## KAPA HAKA GROUP

# SPORTS

## REVIEW

While my tenure here has been short, I would like to take this opportunity to recognize the significant contribution of my predecessor, Chad Combes. In his 12 years leading the Sports Department here at OHS, he was able to oversee significant growth in the sports offered to the student body which in turn has led to many successes for our teams and student-athletes in their respective competitions. While my tenure has been short, I want to evolve our sports strategy for the school to ensure that we take our sporting performances forward to new and exciting heights. I want to ensure that our students gain a positive experience in their code, which will turn into a lifelong love of their game.

Our sporting success is built on the back of our staff and volunteer coaches, managers, drivers and supporters, so I would like to congratulate each and every one of you who have had a hand in shaping the success of the students, whether it is in the results or our student's personal growth.

2024 saw 45% (465) of the student body represent Onehunga High School across 22 sporting codes. While the pillar sports of football, netball, rugby and volleyball have had consistent participation, it has been the growth in sports like badminton, girls' cricket, orienteering and distance running that has been the most encouraging. We have also seen students participating in other sports like mountain biking, diving, karate, ice & inline hockey with varying success. While we can't support all sports through the school channels, it is good to see students taking opportunities through the club system.

2025 will be another year to further the growth of the students and our support staff & volunteers. I want to encourage more of our students to get active whether through our sporting programmes or through their own means so as to improve their own health and well-being. Let's keep living our school values as we continue to seek excellence.

<b>Rugby League</b>	NZSS Championship	Boys 1st XIII – 18th

# FOOTBALL

## BOYS

Our Junior A boys team had another formidable season. They ended the season practically unbeaten and dominantly won their division! Their regular season success took them to the final where they beat Pakuranga. The Junior B boys had a mid-table finish. The players from this team have shown resilience and improved massively from the beginning of the season.

Our first and second XI boys both had difficult seasons but showed great character in the difficult moments. The highlight for the first XI was a deserved win against the champions of the A3 division. Our second XI improved massively from the beginning of the season and some of their players went on to join the first XI.

## GIRLS FUTSAL

Being a part of and captaining the girls' futsal team to regionals this year was an incredible experience. On paper, we were viewed as the underdogs. It was only our third time having a futsal team, our second time ever at regionals, and we were filled with juniors, but with a new coach, we were determined. From the first game to the last, the intensity and drive were unmatched and we were prepared to prove our worth, and that we did. We quickly found ourselves playing off in the final, a fierce battle that ended with everything left on the court. Although we came second it felt like a win in many ways, as we had qualified for nationals next year! We continue to train and compete in preparation for what we know will be a tough competition, but one to look forward to.

**Hannah Hamilton-Ralph**

# 1ST XI GIRLS

Being captain of our school's First XI girls' football team this season has been a journey of pride, growth, and determination. The season began with a thrilling penalty shootout victory against Long Bay, earning us a spot in the Premier Division for the first time in over a decade—an extraordinary milestone for everyone involved in Girls' Football at OHS.

Competing in the Premier Division was challenging, with tougher opponents and higher stakes, but we faced every match with unity and resilience. This determination, carried by every player, was truly inspiring.

Our journey continued to nationals, marking only our second appearance. Despite narrowly missing out on advancing from a tight pool, we fought our way to the final for "The Bowl." Although exhausted, we knew we had achieved something remarkable, making this season one to cherish forever.

**Hannah Hamilton- Ralph**

The Junior Girls Football team at Onehunga High School had an outstanding season filled with teamwork and determination. Kicking off the season with a thrilling victory in our first game, we showcased our skills and commitment every week, ultimately finishing 3rd in the Central Junior B Championship. Throughout the season we learned to work together seamlessly to tackle challenges and support one another. We experienced both victories and losses, each game serving as a valuable learning opportunity that helped the team bond and build confidence. Every game we played showed our hard work and dedication to having a great season, whether it was winning or just having fun.

**Myla van Dolleweerd**

# BASKETBALL

It was pleasing to see the numbers of basketball players and teams increase this year which reflects the popularity of the sport. We had great support from volunteers and staff to manage all the teams and we had a fair degree of success this season. All our teams finished in the top 4 of their competition.

The senior girls' team was the most successful this year. Coached by Matua Anthony, this young team benefited from his wealth of knowledge and experience. Playing against teams from central east and west, the girls were able to finish second in the open grade and they qualified for the greater Auckland basketball tournament with the chance of playing for promotion next season.

The senior boys are also a very young team with Y11 students taking the lead. Tyler Tahapeehi-Litaio was a standout for the team as the top points scorer and provided strong leadership on the floor as co-captain. The team faced a lot of older and bigger teams and finished in credible 4th place in the open grade. Another highlight was getting a rare win in the Massey exchange.

The U17 boys' team was made up of mostly new players. They had a range of results and a number of close games. They were quick to learn and had a strong sense of teamwork and resilience. After a string of defeats to MAGS teams, the team was able to turn the tables later in the season and they did well to finish 3rd in their grade.

There were two Junior Boys teams with 30 players getting involved in the sport. The Y9's brought a lot of energy and enthusiasm to the season and they learned a lot from their coach, Reece Rohrig. The A team was largely untroubled in the regular

season while the B team faced more challenging conditions. Both teams were unfortunate to miss out on winning their competitions and had to settle for second place by very close margins.

With so much talent in the basketball teams, the future is bright for this sport at OHS with many years ahead for our developing and promising ballers.

# RUGBY

## 1ST XV

2024 may well be remembered as the season where results did not necessarily equate with the quality of output. Whilst one could point to a number of factors influencing this, quality sports people learn not to dwell on the what-ifs.

It is my considered opinion that this team was blessed with quality players and coaches. This was obvious to anyone who attended.

Well led by Filipe Li and Luke Grant, only 4 times out of 11 the opposition outscored them. None by any convincing margin. The

defense throughout was impressive to watch. Everyone fronted.

The team complemented this and found their rhythm on attack, making for a worthwhile Saturday, win or not.

The coaches were Jim Kuresa-Moore and James Haimotu. I can't say enough about these men from our community. If you could only bottle what they have brought to this endeavour. Grit, shape and good grace come to mind. We are blessed. LAC.

**Mr Steve Frear**

## GIRLS RUGBY

The Girls Rugby 10s team has had an outstanding season, showcasing incredible skill, determination, and teamwork. They dominated the competition, winning nearly every game and making it to the semi-finals where they faced the best of the other pools. The final against Otahuhu was a tough challenge, but the girls' resilience and focus saw them through to victory, claiming the Championship Cup. This achievement is a testament to the hard work and consistency of the players, as well as the exceptional leadership of coach Willie Marsters and the support of the management team.

**Congratulations to all involved!**

# NETBALL

It has been a privilege to have been Head of Netball this 2024 season and although we only had three teams this year, I have seen so much progression and development amongst all teams. Acknowledgements must be paid to the dedication of our outstanding coaches Gina Poila, Miss Luseane Lousi and Lavinia Peni.

The three OHS netball sides contested the 2024 Auckland Secondary Schools competition. Our Junior sides performed well with the Year 9's finishing 2nd in their grade, Year 9 D1 and the Year 10's coming in 3rd in Year 10 B2. Our Senior side managed to finish 3rd in the Senior A2.

Our Senior Girls attended UNISS, which was held in Waitakere at the Te Pai Netball Centre. The tournament is highly competitive with our team finishing 16th in C Grade. The highlight for the week was Gloria Kolio being named to the C grade Tournament team which is an outstanding achievement. There were plenty of learnings from the week for the squad, but most importantly it was full of fun and laughter. It's so great to see so much young talent and potential for the future of netball at OHS.

Outside of playing, several of our students were involved with coaching and umpiring in the local Intermediate & Primary Schools. This provided a great opportunity for our players to give back to their old schools, but also to be role models to the future stars of the game and hopefully future OHS netballers. Our teams were able to close out their season with team dinners, which provided a great way to celebrate our season.

Well done to all players for their commitment and to friends and Whānau who turned up to support the girls this season.

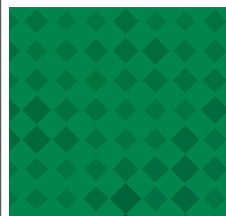

## BRING ON 2025!

# BADMINTON

2024 was a remarkable year for the OHS Badminton Team with amazing results. The Premier Girls emerged as champions in the Central Advanced while the Premier Boys came in 5th in the Boys division. Further, a fantastic result for the National Team who competed during the tournament week in the NZSS Badminton Championships held in Porirua, Wellington on 02-05 September 2024. They were ranked 16th out of 23 schools in NZ.

Our Social Badminton programme which was run on a Friday afternoon had increased participation for 2024. Forty-six students, from beginners to experienced, were provided an opportunity to learn to play the game while the more experienced students played some competitive matches. We hope that we might be able to attract more players to our inter-school competition teams.

# RUNNING SPORTS

2024 saw an increased participation in our running sports with more students taking part in cross-country, road race, and orienteering. Onehunga High School Athletes were able to gain significant results in events across the season, with a special mention for Xavier White who was crowned the NZ National Junior Boys Champion and become the latest NZ representative for the school when he was selected for the Junior Boys team to contest the Australian Orienteering Festival.

EVENT	ATHLETE
College Sport Cross Country	Lisa Hellyer – 1st Intermediate Girls
NZSSA Cross Country	Lisa Hellyer – 2nd Senior Girls 4k
College Sport Road Race	Lisa Hellyer – 1st Intermediate Girls
NISS Athletics	Lisa Hellyer – 1st 800m Intermediate Girls Sarah Hellyer – 2nd 800m Intermediate Girls
NISS Orienteering Championship	Xavier White – 1st Junior Boys Sprint Xavier White – 1st Junior Boys Long
NZSSA Orienteering Championships	Xavier White – 1st Junior Boys Sprint Xavier White – 1st Junior Boys Long

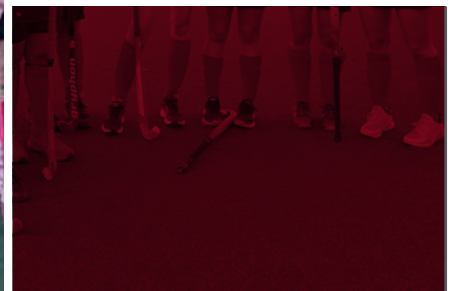

# HOCKEY

Our Onehunga Hockey Mixed 8s had a successful season in their two competitions during Terms 3 & 4. The team had a mix of experienced players and students who were returning to the game after a few years away from the sport. While my background is in ice and inline hockey, the team was open to new training and playing techniques which translated into some exciting hockey at times, pushing some of their more established hockey-playing rivals on the turf.

While the season had a few challenges, the team was able to live the school values of resilience and excellence to overcome these challenges even when the opposition had to call upon players from higher grades. The team environment allowed for the team members to gel and positively support each other.

**I'd like to thank all the players. We look forward to growing the numbers in the future.**

# VOLLEYBALL

first time, our Senior A Girls team played in the North Island Secondary Schools Senior satellite tournament, finishing 13th. At the New Zealand Secondary Schools Volleyball Championships, the Premier Girls made the Division 3 quarterfinals, before finishing the tournament 7th in their division.

The Premier Boys also competed admirably, finishing with 5 wins for the first time at the tournament.

Term 4 sees another 5 junior teams taking the court, led by the Junior A boys' who are battling hard in the Junior A league.

2024 also saw twenty students complete local referee courses, demonstrating an increasing commitment to students wanting to succeed in our sport.

**Special thanks to all of the community and student coaches who have given up their time to support our players.**

2024 has seen Volleyball continue in its growth and development at Onehunga High School. Ten teams and over 90 students have taken to the courts to represent us in various Zone and Regional competitions.

In Term 1, five Senior teams represented the school, with 3 teams going on to Regional and National events. For the

# SOFTBALL

In 2024, Onehunga High School's softball teams shone in competitions. The Senior Boys competed at Auckland and North Island Champs, securing fourth in Division Two at the latter. Standouts included MVP Liam Morrow-O'Connor, catcher/captain Zoram Tauilili, and others.

The Junior Mixed Team impressed at Auckland Slowpitch Champs, going unbeaten in pool play but finishing third after strong performances from players like MVP Mamaiti-Toarere Toka and Harley Taufelila, the team's only female and Year 9 player. Both teams displayed remarkable loyalty, courage, and sportsmanship, making Mr. Trafford proud of their effort and conduct on and off the field.

## ATHLETICS

Mt Smart Stadium played host to the school athletics day, which was a huge success with 75% of the school taking part. OHS was able to qualify 18 students for the Central Zone Championships, which in turn led to five qualifying through to the Auckland Champions of Championships. Four of our students claimed top 3 finishes.

- Denayla Tavui – 3rd Shot Put**
- Lisa Hellyer – 2nd 800m**
- Sarah Hellyer – 3rd 800m**
- Ruby Walsh – 2nd 2000m Race walk**

## CRICKET

It has been a year of growth in the cricket space at OHS. While we have been able to field a boys' team in the Term 1 season, it has been the addition of the Girls' cricket side that has made strides. The OHS Girls took 3rd place in the Division 2 Girls T20 Tournament during Summer Tournament Week and have backed that up topping their pool in the Girls 9-aside T20 Competition in Term 4. Of note has been the performance of prolific run scorer Esther Williams, who has recorded the first century and the highest score by a female cricketer, 107 not out vs Mt Roskill Grammar. In the 2024 season, she has amassed more than 300 runs in total!

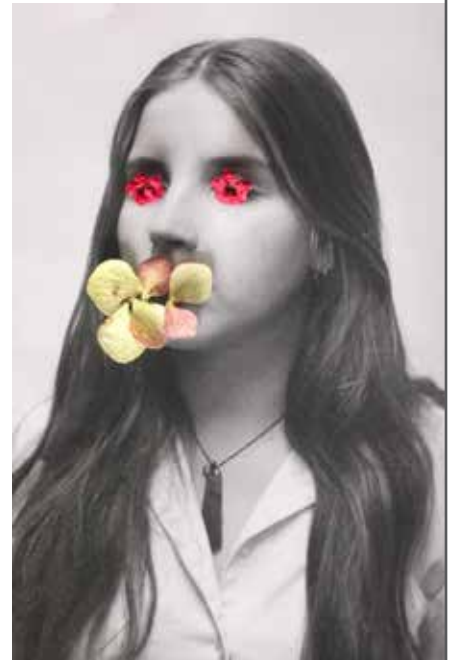

## SENIOR BOYS RUGBY LEAGUE

Our Senior boys entered the 2024 NZSS Championships and had some tough matches. Narrow losses on the opening day placed us in the middle bracket where the team was able to finish 18th overall. Thank you to coach Thomas Stowers for his time and dedication in leading the team.
