Nau mai, haere mai**

It has been a year of further uncertainty. You experienced a Year 10, 11 or 12 that none of us could have predicted, and 2021 has continued to challenge all of us, and some more than others. You have coped with the loss of many of the freedoms we all usually take for granted – things like being together in person, not needing to physically distance, not needing to wear masks and going wherever we choose in our communities.

Educationally, having long periods where we couldn't be together at school - and you, your families and your teachers all trying to connect and teach and learn remotely. While for many, also dealing with other situations that have been created, or made tougher, by the COVID-19 pandemic.

Every single one of you has shown the loyalty to yourself, your family and our school, to persevere. Every single one of you has had the courage to keep moving through this. You know the importance of taking little steps. Some days the steps might not seem to be going in the right direction, and that's OK. Because on other days, your steps take you forward. You embody LAC, and you will continue to do so throughout your lives. Because you know that whatever circumstances life throws at you, you can get through if you just keep moving. Martin Luther King jnr said: If you can't fly then run, if you can't run then walk, if you can't walk then crawl, but whatever you do you have to keep moving forward.

Some of you this year kept moving forward not by running, walking or crawling, but by dancing. Inspirational dances created even during lockdown. Others of you kept moving forward by focusing on goals that were important for you – for some, these goals were to maintain a job alongside your schoolwork. For others, it was focusing on a particular subject you really enjoy. For some of you, it was helping your family by caring for others, so that your parents could keep going with their essential work. Or by cooking some meals or doing housework. In whatever way, you have kept moving, you have kept contributing.

I have two more quotes from Martin Luther King I want to share with you, his words are as important now as they ever were. He said:

“The ultimate measure of a man is not where he stands in moments of comfort and convenience, but where he stands at times of challenge and controversy”

When it's easy, everyone can keep going and things are OK. But when it's hard, that's when your character gets tested. Character is shaped and tested in times of adversity, which is the case for everyone right now. Living through these years in your final years of school and going on to next steps, means your strength and your character have come to the fore. About education, Martin Luther King said: The function of education is to teach one to think intensively and to think critically. Intelligence plus character – that is the goal of true education.

Well people, none of us would have chosen a world-wide pandemic, but it's what we have got. It has meant that every single one of you has further developed your ability to think intensively and to think critically. It has meant that not only have you developed your intelligence further, you have also developed your character further. The goal of true education. You are ready for your next steps, as leaders of intelligence and character.

I want to take this opportunity to thank your families and your teachers for their support of you, and to especially acknowledge Ms Muipu, Mr Filipino and Ms Kaur for their work as your deans. I know I am speaking together with your deans and all of the staff when I say – please work as hard as you are able to for the next few weeks, so you are pleased with your academic achievements this year, whether it is by sitting all of your externals, some of your externals, or by keeping on with learning and gathering evidence towards your Unexpected Event Grades. Keep working towards your goals, knowing that we are all here to help you with this.

In the final formal academic awards ceremonies for the year, we award in three categories; we recognise students who have worked exceptionally hard through the year, achieved at the highest levels, and served our community.

I invite you to share in our online celebrations of all senior students and your achievements, including those who are individually recognised. I wish each of you success in your academic endeavours for the rest of this year, and then a safe and joyful break before the next part of your journey in 2022, be that in Year 12, Year 13 and for our Year 13 students of 2021, in your next steps beyond school. Please continue to use the support at school and all around, now and into the future. We are here for you, always.

Dallyn Tafiti

Head Boy

Talofa Lava and Greetings to the students, staff and parents of Onehunga High School. It is my privilege to address you as the Head Boy for 2021. I am grateful to my Father in Heaven for blessing me with this opportunity of leadership, courage and learning as the Head Boy. I'm especially thankful for the love and support not only from my family, but also from my friends and teachers all throughout my 5 years at OHS.

I remember stepping through the gates of Onehunga High School on my first day thinking I'm a big boy now! Funnily enough Hinemoa was one of the first people that welcomed me to school even though we were both small year 9s, entering into the big world of High School. It was throughout that first year when I was able to reignite old friendships I had made in primary school, but it also allowed me to take the opportunity to make new ones and grasp the opportunities that were offered to me through my role as Head Boy.

I have gained so many new experiences in all aspects of school life, especially around social and cultural competence, and will forever be grateful for all the nurturing that I received here in OHS when it comes to social and cultural differences. As the First XV motto goes, One-Team, One-Unit, One-hunga. It has been such a privilege and honour to work and serve OHS alongside one of my longest friends, Head Girl of OHS for 2021, Hinemoa. It's been a very chaotic and challenging year, so I'd like to acknowledge and thank you for everything you've done for the school, and say that your diligent act and efforts never go unnoticed. I want to thank our 14 amazing prefects who have shown such strong leadership and unity in order to achieve our vision this year and definitely were able to set an example for the future Prefect team to come.

I couldn't have accomplished this year without the support and hard work of all the amazing teachers, coaches and leadership staff who have truly made my 5 years at OHS some of the most enjoyable years thus far in my life. What has also really enriched my school experience was having a great group of friends, who would motivate each other through classes and assignments, who would lift each other up when we're down, and just being there for each other. I am grateful to each of you, you know who you are. I would like to especially acknowledge our very own marvellous Ms Kaur, who has truly inspired me with her work and caring nature of putting others' needs before her own which I have witnessed first hand. She constantly puts time and effort into the progress of all our students and I'm so grateful to have her as my last Dean before I leave school. We are truly blessed to have such dedicated teachers, who show a lot of passion to help us aim beyond our limits.

To all the students of OHS, enjoy the years you spend here at High School. Take the opportunities given to you and give it your all. You are only here once and the years really do fly by! Don't be afraid to ask for help because there are a lot of great staff and students who are willing to help! Your academic performance will help build your foundation of learning! I wish all the senior students the best for NCEA this year. Though Covid has disrupted our way of learning and school life for these past 2 years, I've truly come to understand that resilience, perseverance, determination and having a sense of humour have all contributed to helping me cope better with these changes.

Finally, I'd like to thank the year 13 Cohort, class of 2021. You are all unique and bring great pride to our school. I'd like to thank you for all the great experiences and countless memories we've created together. From our year 9 activity week to our 2021 Ball and all the activities we've had throughout, those memories are definitely something I'll look back on and hold dear in my heart.

I leave you with some words of encouragement for our future leaders of Onehunga High School. As I mentioned in the beginning of the year, do not be afraid to step out of your comfort zone and take risks. Have the courage to stand for the things you know are right! Don't let anyone tell you that it's just not possible to achieve, and most especially, don't let yourself down! So please, grasp all the opportunities you can. And lastly, as I depart from Onehunga High School, use the powerful words of loyalty and courage to push through any obstacles you may face in life.

May you all have a safe Christmas and New year after your exams, and wish you all nothing but success.. I will miss you all, and for the final time, Goodbye Onehunga High School. God bless

Hinemoa Nathan

Head Girl

First and foremost I'd like to thank God for blessing me with the opportunity of being head girl for 2021 and for my family who have constantly supported me in this role.

It has been a rollercoaster of a journey to say the least. When I first started here at Onehunga High, five years ago, not only did I not expect myself to be in this leadership position, I also had no idea that I would be talking in front of a camera instead of hundreds of students and their families. OHS helped me continue to look for the good in everything and so I guess the upside of being in a pandemic is that I am relieved from my fear of public speaking.

I cannot go without acknowledging everyone for making the best of the year that has been. Ms Kaur, I'm sure that everyone who knows you can testify to how caring, passionate and invested you are in your students. Even through uncertain times as these you have constantly been a stronghold for our cohort and we are all grateful to you.

I'd also like to thank our head boy Dallyn. This year has been crazy and it takes a lot to lead an entire school during a pandemic so I appreciate your hard work and dedication, I especially appreciate you taking the names I cannot pronounce in every assembly. I'd also like to thank our amazing prefect team as you have been incredible leaders in your councils and to this school.

I am so blessed to be a part of this cohort and to have had such amazing teachers who have helped me along the way. I am forever grateful for all the memories made and for the people I share those memories with. From Year 10 camp to ball this year and all those exams in between. One thing that I have learnt from my experience at Onehunga High is to take every opportunity that comes your way, and if you miss that opportunity, take the next!

The important lessons we learn here at OHS are not only those that will help us solve the unknown angle of a triangle but are those that will help us be courageous, kind and resilient once we leave the comfort of high school and take a step into the real world. For this I will always be grateful and proud to have been a student at OHS and a part of the LAC community.

Christina Elone

Student Rep

As one of the Student Representatives alongside Maia Potini-Bowen, for Onehunga High School's Board of Trustees for 2021, I had the absolute privilege and honor to serve our school community, especially as a student voice. This past year, we had monthly meetings discussing the rebuild project, Covid-19, the learning of our ākonga and many other topics. This made me learn much more about what the school board does, especially all the work that is done behind the scenes without our knowledge. As a student rep, this role has taught me many valuable life lessons and skills that I aspire to abide by. Though it was a big role to undertake, it was the biggest learning opportunity to take up, which resulted in my deeper understanding of what true leadership is. Along with that, this allowed me to further display student voices within our school community alongside Maia, making this role even more enjoyable. The members of the board have taught me many qualities of what a community working together looks like, as well as the values of resilience and integrity.

In closing, although it was quite saddening that our last few meetings were held online, being a part of the school board for the year made me feel extremely blessed and grateful for this opportunity, especially towards the Board and Ms. Shea. The skills and values that I had learnt within this role, will continue to stand by me for many, many years to come. Thank you to all of the lovely members of the Board and the school, for having me as one of your Student Representatives for Onehunga High School's Board of Trustees, of 2021.

Maia Potini Bowden

Student Rep

I had been given the privilege to represent the student voice alongside Christina Elone as 2021 student representatives for the Onehunga High School board of trustees. This year, our meetings have covered a range of topics, including the current rebuild projects, Covid-19, incorporation of Te Reo Māori in the curriculum and many other relevant topics. Each meeting Christina and I would also present a summary of how students were feeling, and other information we deemed fit to share with the Board. 2021 has proved to be a very challenging year for all of us, however I was honoured and relieved to have constantly been alongside all the board members cheerful faces- whether online or in-person- instilling confidence that even behind the scenes we have a such resilient team, who remain not only adaptable, but are able to thrive regardless of what situations life may throw. Being given the opportunity to be Student Representatives on the Board instilled very core life values within me, but most importantly has provided me with confidence that our student voice is definitely being heard.

This was a big role for both Christina and I to take up, but I would like to thank Mrs Fran Mes (Board Chair), and Ms Shea along with the rest of the board for being so welcoming and comforting towards both of us. Each board member has shown me the importance of teamwork and communication: that leadership requires a team of thoughtful passionate individuals, communicating and working together to create a wonderful community. I will forever cherish the experiences and life skills I have been taught in this role over the past year, and I thank the board, Christina and the student body for giving me this amazing experience.

Due to Auckland's lockdown in 2021 there was no full year photo taken of Year 13. We were however able to unearth this photo from the archives of the cohort back in 2017

JAZZ BAND

This year our senior Jazz band had the opportunity to participate in the Auckland Stand Up Stand Out competition. The band, made up of Lebamanoi Tatā , Josiah Aliimalemanu, Jayden Johnson, Nu'ufou Telea, Meliame Veni, Laila Fakalata, and Litanía Langi, performed a fantastic rendition of "It doesn't matter anymore" by Linda Rondstadt. The band wowed the judges with their tight vocal harmonies and musical groove, receiving overwhelming praise at the end of their performance. This was good enough to see them comfortably through to the semi finals as one of the top 17 bands in Auckland, out of the 56 competing. Unfortunately Level 4 lockdowns meant that the competition was ultimately cancelled, but these students proved themselves to

Express: Performing Arts Music Dance Drama

be fine young musicians and fantastic ambassadors for Onehunga High School. A huge congratulations should also be given to Laila Fakalata, who competed in the solo vocal section, showing her maturity and musical sensitivity. Laila proved she has a very bright future in music ahead of her.

To be able to develop and create music together and perform in front of assemblies and events with big crowds has been a huge milestone , especially getting the opportunity to be able to perform at Stand Up Stand Out. We performed "It doesn't matter anymore - the American idol version" at the 2021 Stand Up Stand Out heats. At first this was a tricky song to turn into our own but after a lot of band practices and hard work, we managed to turn it into something we enjoy playing and felt good with. The result of our hard work was receiving a place in the semi - finals along with other talented, hard working musicians . The vibes and atmosphere of the stage and environment there was at the Stand Up Stand Out venue was a feeling to remember, that feeling of a crowd looking at you perform your heart out was such a rush. For sure a high school moment I won't forget. Josiah

ROYAL NEW ZEALAND | EDUCATION VODAFONE EVENTS CENTRE SCHOOLS PROGRAMME

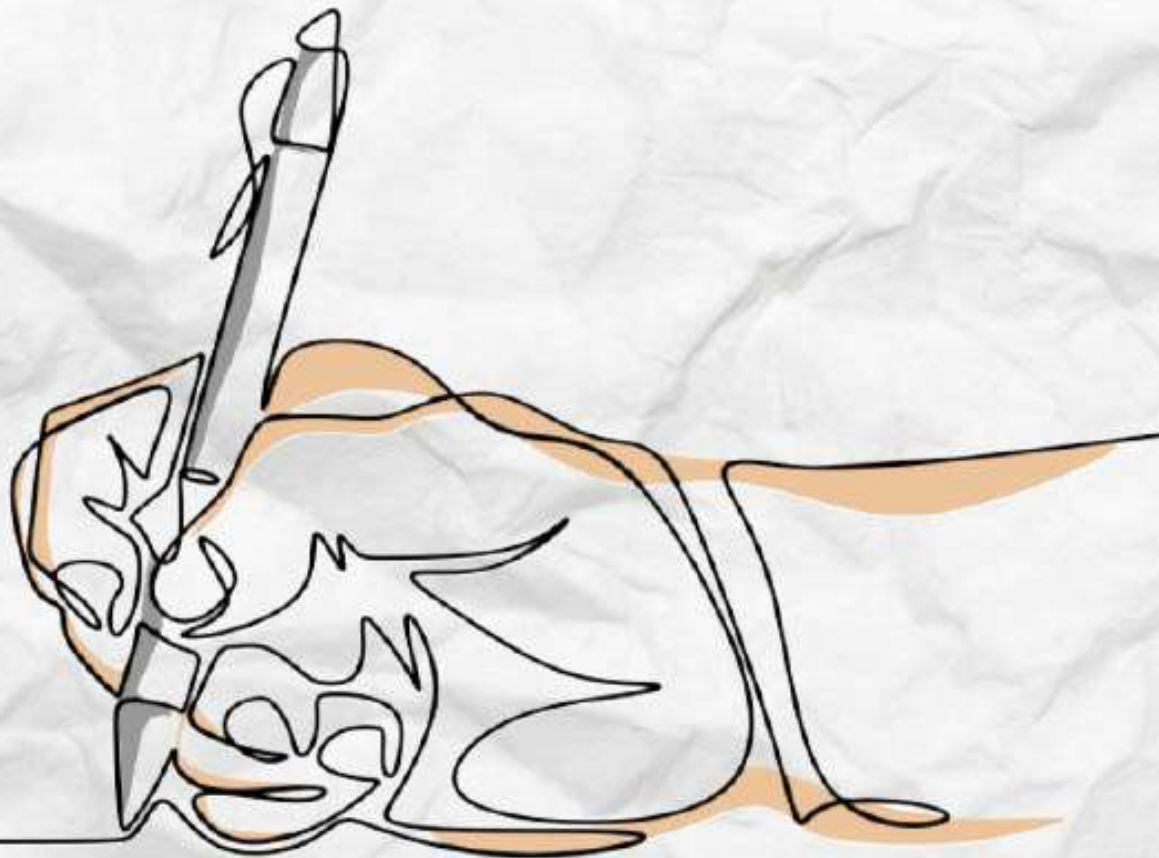

The Moovit Dance Project is a student created and artist facilitated project which explores a variety of dance forms including hip hop, ballet, contemporary dance and siva samoa to classical Vivaldi music remixed with some student produced music. Current year 12 student Dwayne Devoe-Matautia and alumni Eugene Teulilo produced the music this year.

The student created and artist led project collaborates with Royal New Zealand Ballet's Dance Educator, Lauren Byrne and Andrew Cesan, Co-Director of Momentum Productions. The guest teachers came in to teach 50 students across a variety of year levels every Wednesday.

Unfortunately due to covid and lockdowns the students were unable to perform to their sold out primary school show at the Vodafone Events Centre.

Quantify *Mathematics*

This year, the Mathematics department remained committed towards helping our ākonga experience success in Mathematics despite the challenges of alternating between classroom time and online teaching. One of the mammoth tasks executed by the department was ensuring that students remained focused and engaged during lockdowns.

A noteworthy milestone accomplished by the department has been the setup of a Mathematics website that serves as a resource enabling our students to draw connections between the subject and everyday experiences.

The Maths Club continues to provide numeracy support to our students. MCAT tutorial was an initiative taken during lockdown by the Maths department to provide extra support for Level 1 students preparing for their MCAT exam.

The difference it has made to students can be seen from their words below:

"I'd like to express my gratitude to Mr Z Irani and Ms Muipu for hosting MCAT learning lessons every Friday. Many students, including myself, have benefited from these lessons."

Mark Latu 11GB

"I'd like to thank all my teachers who put in extra time and effort to teach us students through the MCAT tutorials. These tutorials were very helpful for us to prepare for the MCAT during lockdown as these times can make it very difficult to learn."

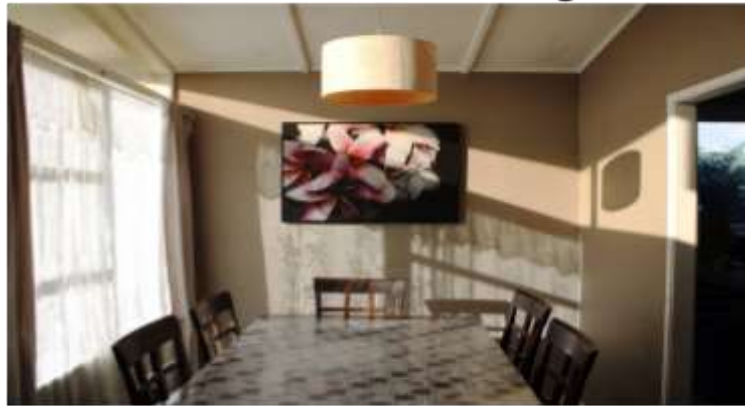

Denita Purotu-Keepa 11LV

I'll do algebra, I'll do trig and even statistics, but graphing is where I draw the line.

Profit *Business*

Students taking Accounting, Business, Economics and BEE had a busy start to the year. The Level 2 Accounting students visited Pak 'n' Save while Level 1 Business and Level 1 Economics students visited Chelsea Sugarworks. Other trips were planned. However, due to lockdown these were not able to go ahead. The Year 9 students made soaps and successfully presented their products to a panel of judges. The L1, 2 and 3 Business students all ran their own businesses. The Level 1 students (accompanied by some of the Year 10 Business class) ran a successful Market Day. The Level 2 Business students carried out group based business activities that had a community well-being focus and the Level 3 Business students ran their Young Enterprise businesses. Mauve Beauty Cosmetics completed the year winning a Young Enterprise regional award for Excellence in Business Organisation.

Junior Science

The Blake NZ Virtual Reality Experience was an amazing opportunity. I previously had a VR experience, but it couldn't compare to viewing and learning about the beautiful oceans of our home New Zealand. This was definitely a highlight.

Level 1 Science

Making bread, yoghurt and cheese as part of our Micro-organisms topic was a highlight. I shared the bread with my family as it was so good!

Senior Biology

I really enjoyed doing the workshop where we were able to use tools that our past ancestors used and we were able to learn how they made those tools as well. My highlight was the dissection of a sheep's lung and heart as we were preparing for our internal assessment about circulatory systems! Learning on a personal level about marine life at Goat Island while snorkelling was my highlight.

Senior Chemistry

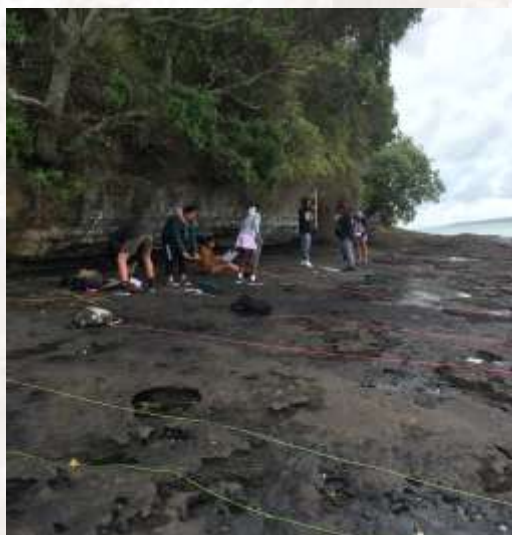

My highlight was the electrochemical and electrolytic cell experiments we did in Chemistry - it was so interesting to see how a normal substance like table salt can be separated into toxic gas and a reactive metal!

Health Science Academy

My highlight this year was the Health Science camp. It was so much fun and a real eye opener in regards to university study. Being able to hear from people who are from different backgrounds in the medical field really widened my view and inspired me to pursue a career path, not because it was easy or because it paid well, but because of what it offered as a profession.

Define Science

The Services Academy at Onehunga High School had a lot of opportunities in services this year.

The Year 13 Services Academy was involved in many camps, learning about different types of leadership styles, life skills, learning and having a better understanding of how the NZDF works, going on trips that involved NZDF (police training course, navy trip). 2021 was a hectic year full of lockdowns but our Services academy was still able to conduct camps this year like the induction camp and bush craft.

The induction camp was one of the highlights for us all. This was the most significant camp because this was where we grew our bond as a team. Going to camps has taught the services academy a variety of life experiences that they will cherish for a lifetime! During the past two years we were lucky enough to have the best Services teacher! His name is Staff Lal, we want to thank him for the many opportunities he has given our Services Academy, teaching us and guiding us to the pathways we wanted to follow

Potential Service Academy

Whilst the year has presented it's challenges, OHS English students have risen to the occasion to produce beautifully crafted stories, poems and articles in a variety of styles and genres. Junior students learned key essay writing skills this year alongside delivering speeches and creating posters that proudly displayed their favourite places. Many of our Year 11 students studied the novel *Unwind* about parents' right to donate their teen's organs if their child misbehaves which gave rise to lots of healthy discussion around who has the right to decide what happens to you before you reach adulthood. Our Year 12s focused on crafting writing for their portfolios, carefully choosing each word and sentence to impact their readers. Year 13s blew us away with their critical lens assignments in which they had to apply a literary lens to a text, producing hypotheses that would impress any university lecturer.

Unsurprisingly, many students have taken their inspiration from lockdown and the current pandemic which resulted in some of the wonderful acrostic poems that follow.

S Stopped from going outside
T Trouble finding things to do
U Used to waking up at 10 in the morning
C Confined to one space
K Killed by boredom

H Hours and hours of endless free time
E Eternal slumber if I so desire
A All the time in the world all to myself or all by myself
V Various days fly past and I sit all alone in my room daydreaming about what I could have been doing back at school with my friends
E Every time I think about it the more and more I wish this stupid virus would end
N Never again please never again

O On and on this misery drags out
N Never should we be let free from our personal prisons
L Learning online is the new way of life
I Ink is no longer
N Night and day are in disarray
E Every moment spent online

Some of our junior students are writing extraordinarily sophisticated pieces. The following short story focuses on the moment you wake from a nightmare. (Hazel Thrush, 10Takeahe).

When Do Nightmares End?

Waking up from a nightmare is not in any way gentle. Your eyes might snap open suddenly, chest heaving for gasping breaths as your sweat soaked palm clutches at a suddenly far too warm duvet. Your heart might reverberate through your entire body, leaving your head banging like a drum, ears ringing and even your teeth buzzing to the rhythm. Maybe you sit up on your bed, struggling to grapple with the instinctual fear that races through you, trying to push common sense through your mind. Maybe then you stare across the cavern of your pitch black room, eyes straining against the darkness to spot even the tiniest of anomalies, not quite sure what you'd do if something were to happen. Perhaps you close your eyes for barely a moment, trying to calm the pounding rhythm that beats behind them. Is that the soft patter of several quiet steps your ears just manage to pick up over the drumbeat?

Your eyes definitely fly open, fear overriding reason as pain stabs like hundreds of tiny needles behind them. Time seems to drag along, swirling in sludgy loops as you scan the darkness again. Everything seems incredibly still, impossibly still. A long, drawn-out shudder escapes you before you can stop it, and you freeze. You certainly make an effort to take shallow breaths, eyes nearly bugging out of your head as the pressure in your skull increases. Surely your breath isn't that loud? Surely it's not that even and slow? Your mind twists and turns at a mile a minute with half baked ideas and theories. Your chest tightens, heart a ticking time bomb as your lungs still... and the steady breathing continues.

It quiets after several seconds, but you're sure, you're certain you heard it. Or did you? Your ears are still ringing, and houses creak at night, right? It's probably the wood. The breath you were holding involuntarily wooshes out of your worn out lungs, body overriding terror in a need to survive. No, you're being stupid, this is stupid, your mind is playing tricks on you. With a definitive shake of your head and a clenched fist, you force obnoxiously loud gasps of air to cross your lips and spill into the tense atmosphere like water to parched, cracked earth. A laugh bubbles forward and you let it cut the tension in half. There's nothing in the room with you, nothing, nothing, you're by yourself! You let yourself relax, body sagging, no longer a string about to snap. The drumbeat that had been reverberating through you since waking up, silences. Shoulders slowly move back from up near your ears. Eyes drop close lazily and hands reach up to massage a forehead still wet with beads of sweat. You don't notice the book fall off your desk and land gently on the carpeted floor, pushed by a small hand cast in shadow.

COMMUNICATION

WRITING

CO

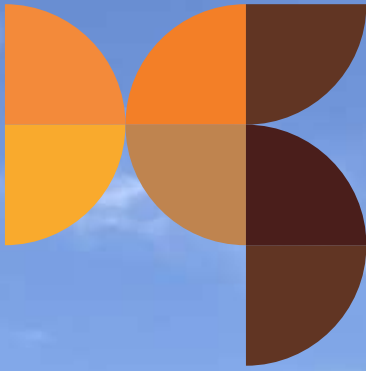

ENGLISH

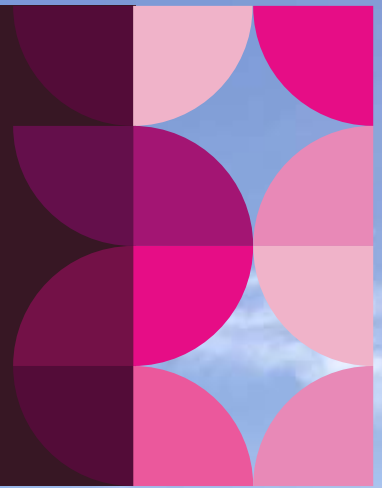

The Media classes enjoyed a good start to the year. The Year 9 students began the year learning basic media skills, including film language and elements and story telling - culminating in stories based on their own lives. The Year 10 students expanded on the basics of storytelling and filmmaking. They studied the Superhero Genre and wrote a production plan. The Level 1, 2 and 3 students worked in pairs and small groups to carry out their assessments. Level 1 was planning and producing a music video; Level 2 planned and produced a horror film - inspiration for this was provided through a Friday night trip to Spookers! Level 3 students planned and produced a documentary. This was a challenging year for the senior students given the practical nature of the assessments. Students persevered and while the outcomes were not all what the students had intended, students did the best they could.

Influence Media

Understand *Social Sciences*

Over the course of 2021, Social Sciences students experienced meaningful learning, trips and informative guest speakers to enrich their learning experiences. This includes the Level 2 Geography students travelling to Onehunga Mall Road and Newmarket to collect data on retail patterns. Students collected statistics on retail activity types, transport types, and estimated age range and used this to help discuss factors such as gentrification and agglomeration. This was a valuable experience that offered students the opportunity to see the impact of gentrification and agglomeration. The level 3 Geography students also travelled to Muriwai beach to conduct important research for their upcoming assessment. Students believed this was "a great experience that gave us the opportunity to conduct research in a real world setting and allowed us to see a beach we had never been to before!" Later in the year, The Model United Nations Assembly saw two teams of Year 12 & 13 OHS students representing the countries of Cyprus and Syria. Taking part in debates and elections the students enjoyed the intellectual sparring and challenge of this annual event. This year students of senior History also had a number of visiting speakers to enrich their learning of cultures and the past. With second generation survivors from the Holocaust Centre of New Zealand as well as guests from Nigeria, China and India the students found that hearing from those who had lived experience of an event they were studying and the chance to question these people within an educational environment added value and understanding to what they were learning about.

Waka Hauora: Health and Guidance

What a year this has been! Despite the ups and downs 2021 sent our way, we managed to deliver all the same great services we usually provide - and some new ones...

We tested the vision of all junior students, and provided free prescription glasses for twenty-one young people. We are so grateful to the University of Auckland for this wonderful service, which even included delivering glasses to whānau who weren't able to be at school.

Our relationship continues with the asthma bus, which comes once a term to support and educate students who experience asthma.

This year we also started providing immunisations at school, including MMR, Boostrix, and HPV. It was great to work with the DHB to offer this opportunity to our students.

We introduced LGBTeens, a social group for our LGBTQIA+ students and allies. We were excited to be joined by about 25 students and five staff members.

The Hauora Council

This council works as a student voice to take action on issues relating to the health and wellbeing of our school community. In Term Two the council worked with the Sports Council and LGBTeens to run the annual Pink Shirt Day, raising awareness about bullying in schools, as well as \$350 for charity. In Terms Two and Three we ran "Breakfast Club," providing a healthy breakfast and a positive start to the day for any students who wanted to join us.

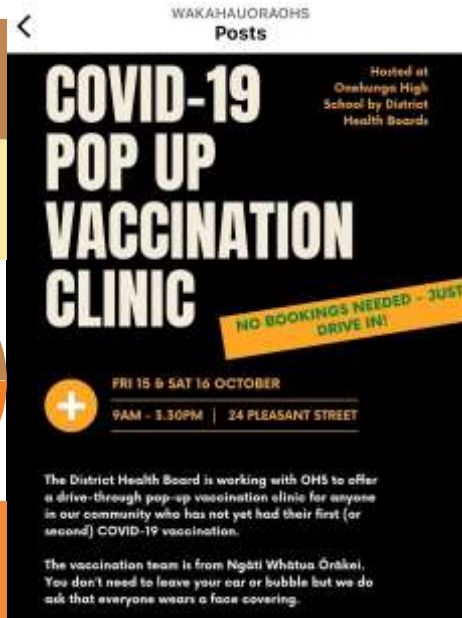

Peer Support Leadership Program

We had a vibrant and outgoing group of Year 13 students train to become Peer Support Leaders this year. They spent time with their assigned Year 9 kaitiaki class twice a week for all of Term One. We were very proud to award Pakeeza Ali with the cup for Peer Support Leader of the Year.

Covid-19 response

We would like to acknowledge the hard work of our health team who rose to the challenges of the pandemic more than ever this year. Our nurses worked with the DHB to run a pop-up vaccination clinic in October for anyone to drop in and receive their Covid-19 shot, they advised on protection strategies upon our return to school, and they worked tirelessly alongside our senior leadership to ensure that school was a safe place for all of us.

Health & Guidance Waka Hauora

PE and Health

2021 has been a great year for the Physical Education and Health department. Although we had no gym for the year, we have been able to look in awe at the amazing construction that has been built and have been able to develop our resiliency and creative thinking through the many lessons where the weather has not played its part.

Our Junior PE and Health students have been able to work on developing a range of different skills both outside in a practical setting and also learning through theory. Highlights have involved getting coaching from AFL Auckland, walking to the Onehunga Bay, learning about Anatomy and Biomechanics, learning about mental health and wellbeing, guest speaker Nissi Prescott and our Sports Leadership students participating in the Get to Go adventure challenge.

Our Senior PE and Health students have worked really hard this year and have had the opportunity to take part in a variety of different activities in relation to their assessments. Highlights for the Senior students have included, Wero White Water park, participating in the Tough Guy and Gal challenge, and in Level 2 Health, creating Health promotion strategies to help the wellbeing of their peers.

Tough guy and gal

The L3PED and L3PTC students took part in this year's Tough Guy and Gal Challenge. Students ran, walked, climbed, and dragged their way through mud and obstacles, to complete the 6km run. Students had to complete this in the fastest time they could as part of their practical assessment. It was a great day and the students all tried really hard to push themselves, whilst also having fun with their classmates in the mud.

Wero white water park

The L2PTC students went white water rafting at Wero White Water park. The students were nervous but excited to take part in this activity. Risk management strategies and using them effectively such as listening to instructions, wearing a lifejacket correctly, and checking the weather forecast were all factors taken into consideration as part of their assessment. The students absolutely thrived during this challenging activity and although there were nerves at the start, once every student got off the boat at the end all you could see were smiles and laughter as each student relived their white water experience with their peers.

Future
Technology

The Food & Hospitality department has continued to see success this year despite the challenges of Covid-19. We have continued to see growth in the number of students taking the subject and also in the level of cooking from our students.

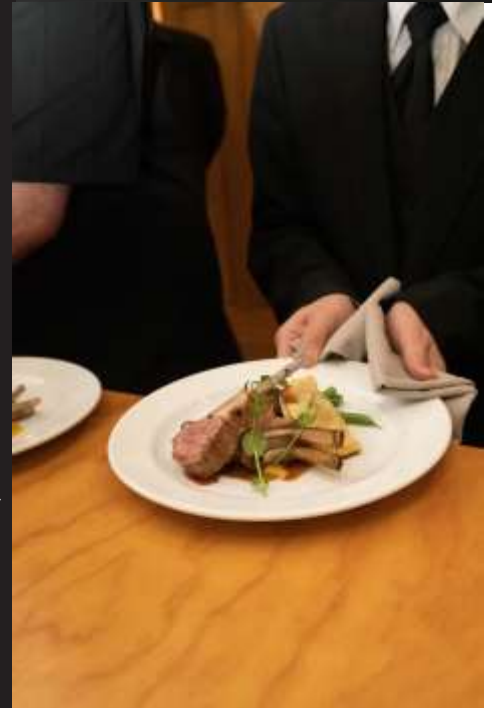

The L2 & 3 Catering students attended an open day at Savor Group including the flagship Amano restaurant where they were taken through the front and back of the restaurant and offered some superb food. The staff offered stories of their own pathways into the industry and invited students to ask about their jobs. The students were also taken through some of the other establishments owned by the Savor group and shown a wide variety of restaurants and types of service.

The students were also taken on a tour of our main supplier Service Food's factory near the airport, where they were shown daily operations including a walkthrough of the main warehousing and packaging areas. Students had access to department heads within the business and gained significant insight into where the food they cook comes from and the supply chain. There has since been indications that employment pathways are available for those students who are interested.

At the start of term three, the senior students took part in The Ronald McDonald Charity dinner. One of Onehunga High Schools most successful Food & Hospitality students, William Mordido of Bako Restaurant, was asked to cater the event and offered for the Onehunga students to be part of the evening. The students used the canapes they had designed for the evening and prepped large amounts of these for the night. We then took 4 students to "St Matthew in the City" where they plated the canapes and helped run the main dinner service for 200 guests. The charity dinner raised over \$100,000 and our students played a significant role along with having an amazing and unique experience.

As well as these trips The Food & Hospitality students also ran a canape evening at school and dinner for the local Rotary club. They performed to an extremely high level at all the events and were disappointed that their grand finale (the 3 course Distinguished Alumni dinner for 100 guests) that they had planned unfortunately has been delayed until 2022.

It has been another busy but rewarding year and both the staff team and the students are excited to continue our progress in 2022.

Nourish Hospitality

Communication *Languages*

Talofa lava soifua manuia ile paia ma le mamalu i so'oso'o se vaipanoa o Onehunga ma Aukilani olo'o faitauina lenei tusitusiga.

The Languages Department had an exciting start to the year participating in Polyfest.

There were many highlights including Danica Kopelani being awarded second place in the Year 9 Samoan speech competition, and Sione Havili being awarded second place in the Year 12 Tongan speech competition. Danica and Timena Moenoa also represented our school at Māngere Town Centre to celebrate Samoan Language Week with the community.

We had many amazing students lead initiatives to promote Samoan Language Week within our school. They organised a variety of cultural activities including a two-day concert involving students and guest performers.

We celebrated Tongan Language Week online by learning new phrases from Mrs Langi and student leaders, Benji Sanisitou and Acura Chukau.

Our Chinese language students had a great year celebrating many traditional festivals. They learned the stories and traditions of festivals such as Chinese New Year, Dragon Boat Festival and the Mid-Autumn Festival.

To celebrate Matariki, our Year 10 Te Reo Māori students successfully organised a hāngi to feed staff and students. We also celebrated Māori Language Week online by learning new phrases from Te Reo Māori students Liam Rihia, Maia-Rose Laeli and Amber-Keisha Kuluia Hampton-Toko-Mikahere.

We are all looking forward to another great year next year!

Te Puāwaitanga Department

Te Puāwaitanga staff this year have loved helping students experience more success with their learning, both at school and during lockdown. It has been awesome to see so many students using the Te Puāwaitanga space in 2021, and to see so many making most of the opportunities and resources we have available to help.

Te Ara Wānanga University Trip

A wonderful group of promising Y13 Te Ara Wānanga Programme students were taken to the University of Auckland on Friday May 14th. The students got to meet OHS Alumni and University Lectures, tour the departments they were interested in and listen to insightful and motivating guest speakers.

Te Whare Mātauranga

Ms Dwayne has worked hard with the student librarians this year to help all OHS learners explore their love of reading in Te Whare Mātauranga, our school library. They have loved seeing so many students use the space to find information, study, play chess, play Minecraft, have meetings or tutorials.

Te Puāwaitanga

Upskill Gateway

This year has proved to be a challenging year for the students who elected to do Gateway with 2 lockdowns. However, the students carried on and continued with their chosen courses despite the interruption.

Gateway 2021 had an equal number of years 12 and 13 students doing Gateway. It is always enjoyable to have students do Gateway over both years and see them follow through on a possible career path. The retail and barista level 2 courses are always popular with students, who are given the chance of working in some large retail companies including supermarkets and smaller cafes to gain valuable experience and are supported through the assessments with experienced tutors from Service IQ and Goldstar Training.

Logistics and Warehousing was a new Gateway course that a group of year 13 elected to do and this gave them valuable experience working for Cardinal Logistics. Another course available to our year 13 students, was retail based and the students had the chance to work at Repco and Bunnings. There are also students who do their own individual learning programme in their area of interest with MITO, Primary ITO, BCITO and Service IQ Aviation.

I would like to thank the students for selecting Gateway this year and doing well with the extra work on top of their school academic programme.

A big thank you to all the course providers and most of all the employers who take the students for the valuable work placements.

PATH Careers

Leaders of Tomorrow

24 of our Māori students had the opportunity to attend the 2021 Kei a Tātou te Ihi (KATTI) leadership day and 30 students The Pacific Island Leaders of Tomorrow programme (PILOT). As well as hearing from inspirational speakers and exploring tertiary study and career options, these days were a much enjoyed chance for whanaungatanga and building of networks. Kingston Moimoi commented "I enjoyed hearing other students' ideas on their futures - it was interesting hearing about what's even possible."

Researching Tertiary Study

Year 13s, considering study at university or polytechnic were invited to a range of interactive presentations to learn about the unique features of each place. Application support workshops were then held and trips to visit different options arranged. Students considering product design careers, for example, visited the Design department at AUT and those interested in Trades visited Mataaho at Unitec. Other students took up the opportunity to meet prospective employers and discuss apprenticeship possibilities at the 'Got a Trade Speedmeets' event.

Connecting the Classroom and the workspace

Seeing first hand how classroom learning is relevant in the workplace and what opportunities exist helps students make informed, inspired decisions. Our seniors interested in the Hospitality sector, for example, visited two restaurants, Ostro and Amano, to observe the many roles available in restaurants. They also visited Service Foods and learnt about many more job functions in the hospitality sector, including support roles in fields such as sales, logistics, IT and transport. Workplace exposure builds important connections, knowledge and confidence.

Career Insight Seminars

As well as over 280 students receiving personalised careers counselling, our weekly Careers Insights seminars helped students to deepen knowledge of different jobs, with guest speakers talking about their various occupations. Speakers are invited depending on what the Yr 13 areas of interest are - and this year guests ranged from architects to police officers to plumbers to landscape designers to occupational therapists to lawyers to even a helicopter loadmaster in the air force - and many more!

New in 2021

A new school wide Careers programme, 'Navigating Your Career' was created for students to research future career possibilities, explore resources, and learn more about what future employers might be looking for. This year also saw a great uptake in the newly offered lunchtime Jobseekers workshops. 64 proactive senior students wanting to find part-time jobs learnt tips on how and where to find work, and got help with CV writing and interview skills.

Drivers Licence Results

59 of our Year 13 students participated in a Road Code workshop and sat their learners licence test at school - with an impressive 100% pass rate! Comments from students such as Jesse Leilua, highlight just how important this achievement is "I'm thinking about a trade and getting a Drivers Licence will really improve my apprenticeship opportunities."

***Take every opportunity that comes Ka whati te tai, ka pao te Torea
As the tide recedes the bird strikes***

A very eye opening experience for Year 13 Maori students for Tertiary opportunities and pathways. Loads of support and guidance to achieve to our greatest ability and potential. A great atmosphere of mana, whanau and kotahitanga.

Porhak Oeung Yr 12 Cw
The day I was truly happy.

This happened when I was in Year 10 during the term 2 holidays and I remember it like it was yesterday. For the first time in my life I got to see and touch real snow. I come from a tropical country that only has two seasons, the dry season and the rainy season. The temperature in my country is fairly warm or hot all year round.

I had never experienced freezing temperatures before and I was so shocked when I opened the car door. Within seconds I could not feel my face. The snow was so white and light and fluffy. I could not help myself from picking up the snow and throwing it around. I ran around in circles, picking up the snow with my bare hands and throwing it at my family. It felt like heaven.

Then I felt the pain in my hands and feet. My sneakers were soaking wet. My feet hurt. The pain was unbearable. I ran to the cafe which was crowded and found a place to sit near the window. I watched the people outside having fun in the snow. That's when I noticed they all wore special gloves and shoes.

After a few hours, we jumped in our car to drive home. My hands and feet still hurt but I was filled with happiness. I got to feel snow and play with it. This was an amazing experience and I felt really fantastic that I got to see such breath-taking nature.

Ronald Cousins Yr 12 Rd
Spending time with my mates

I am happy that my circle of friends grew bigger this year and that we often play online games together. We have lots of fun doing this. This year, lockdown has been very hard so we all try to do some schoolwork in the morning. That leaves some time to catch up with my mates and play games. I try to communicate with my friends often and I enjoy this part of my day the most. I think it's very important to stay in touch seeing that we cannot meet up physically. I enjoy hopping on to a game with the boys and having fun. Time with my friends makes me relax and laugh and I forget about lockdown.

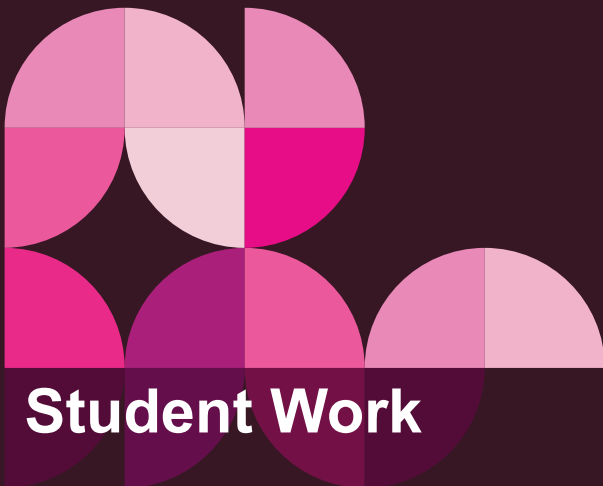

Gayle Ann Laki Yr 12 Mx
Good memories with my friends.

Last summer, I went camping with my friends to the beach.

First we set up the tent and put the food on the table. It was fun but exhausting work. We then took a boat to explore and see the coral reefs under the ocean. Then I saw a starfish in the sand and I took a picture.

After that, we all helped to collect firewood. I found three logs that were the perfect size and shape for our campfire. When the fire was ready, we roasted a chicken and barbecued the pork. I was so happy. We sat around the campfire for hours.

Student Work

Foundation Building & Construction

A student wearing a black t-shirt and shorts is using a power drill on a wooden structure. The student is wearing safety glasses and a red lanyard. The background shows a wooden wall and a window.

Kemen

The Building and Construction school has allowed me to learn about something I am passionate about, it has put me in a position where I have a future pathway and allowed me to learn in a more suitable and engaging way. I've enjoyed every single day I've come to school and I am so grateful to have been given this opportunity!

Aloma

Why have I enjoyed the building school? I have enjoyed being a part of the building school this year. I have gained so much knowledge over this past year from Mr Meyer, Mr Eastwood and my classmates. The class itself has taught me a lot from working as teams to working individually. The building school has helped me to chase my dreams of being a project manager but also they have supported me throughout the year consistently. I have thoroughly enjoyed being in construction this year. The constant support system we get from our teachers is just amazing. The work they do behind the scenes definitely doesn't go unnoticed and they all support us wanting to follow our dreams in the different aspects of carpentry. The one thing I have enjoyed the most about construction is taking away the knowledge and skills that I have learnt over the past year and being able to use them in the future

Bernard

I have enjoyed building and construction mainly because of the knowledge and skills you gain throughout the year working on building the house. Also working with the boys makes it 10 times better because of the vibes.

Romayor

I have enjoyed working alongside the boys and I've enjoyed building the house and getting to learn to what to do so then I can use it for the future

Joseph

*Building school has been the **best thing** ever for me. I now like coming to school because i like working outside and working with the team.*

Don

*Building school is choice because i like to learn by doing stuff. It's good to because you work with your **friends** and the teachers trust you.*

Dricollo

*Im really lucky to get the chance to be in the Building School. The teachers are different and you are given the chance to prove yourself. **The work can be hard** but you feel good when you have finished it.*

Etoni

Building a house is fun and you are learning at the same time. I want to use my Building skills to build a house in Tonga.

Nathaniel Pesamino

*This has been the **best year at school ever**. I've been learning heaps of new stuff. Teachers really help you and they believe in you. If you work hard you get the rewards.*

Nathaniel Tema

I was unsure about building but it's been good for me and now i know i want to do something in building.

Adam

I like working with the boys and Loma. It is different to the classroom and i doing practical work and learning at the same time.

DONEHUNGA

competition
SPORT

2021 has been a fantastic year for OHS sport our teams have been chasing trophies and titles along with our continued focus on developing our junior program. Our focus is always on giving our students the best sporting experience in order to succeed and enjoy sport in the long term. We had a disruptive summer & winter program which was disappointing missing out on so many sporting events and opportunities. Unfortunately, from our school events only the school Athletics could run this year due to Covid-19. We had to cancel our swimming sports and cross country.

Athletics was again at Mt Smart Stadium with over 600 students competing throughout the day. The students enjoyed an action packed day of events which resulted in 26 students representing OHS at the Central Zones. 2021 has been a great step forward for many of our codes with a great bunch of year 9s and 10s coming into the sports program with energy and enthusiasm. This is partly down to the hard work being done within the J.E.T.S program. This year we have been very competitive and proud of our students attitudes to do their best to get results that they deserve. We were lucky enough to get some of our summer season underway with Cricket, Volleyball & Tennis completing a great summer of sport. Our Volleyball teams had a fantastic year, in particular the boys premier team went unbeaten in the central/west zone along with performing well in the Auckland premier league. A 9th place finish at the Auckland Champs and 16th in NZ in the championship division topped off an outstanding year.

Well done to our Boys 1st XV Rugby team who most likely would've made the top 4 in Auckland 1B. They enjoyed a great season showing true LAC and bringing pride into the OHS jersey. Football Boys had their best season in many years finishing 3rd in A4 only 2 points off top. With a first up victory in the top 4 play-off the team sitting in a string position for promotion before the season was cancelled due to covid lockdown. Great to see cricket back and developing well with our boys and girls playing this summer, excited to carry this on in 2022. We are always keen to develop sport and push our students to get involved in sport in any way to improve their health and well-being. We aim to have 50% of our students involved in sport and with more staff and volunteers giving their time we will keep pushing to reach this goal.

I would like to thank everyone that has been involved in sport this year and look forward to 2022

Chad Coombes,
Director of Sport

Junior Emerging Talent Squad (J.E.T.S)

2021 was the second year for our J.E.T.S. programme. We are starting to see the benefit of our program which is to help raise the level of sporting performance within the school through the creation of J.E.T.S. The pathway for our students to reach the top sports teams with the skills and the right mind-set is crucial. We operate J.E.T.S in four codes: football (boys and girls), rugby (boys and girls), basketball (boys and girls) and netball (girls). These squads are for Year 9 and 10 students who are wanting to develop their skill and performance in their chosen sport. In addition to sport specific training sessions J.E.T.S also provides physical training, nutrition and sports performance education from internal as well as external sources. J.E.T.S has given us the ability to improve the skill levels of players at a junior level so that by the time they reach senior teams, they are significantly advanced. This will help improve our competitiveness in sport across Auckland and beyond. Over the last 2 years we have had 49 students progress from the J.E.T.S programme into our premier sports teams which is a huge achievement. In 2022 we will make the last addition to our program with Volleyball J.E.T.S for boys and girls which is fantastic. 2022 will be an exciting year for the J.E.T.S program as our new facilities will be up and running meaning all squads will be training at school. The new gym with weights and classrooms, new courts and resurfaced fields will increase the standard of the programme for 2022 and beyond.

Chad Coombes
Director of J.E.T.S

Onehunga High School Athletics Championships	
Junior Girls Athletics Champion	Susan Edmonds - Maney
Junior Boys Athletics Champion	Garcinia Tuakalau
Intermediate Girls Athletics Champion	Deanne Philpott
Intermediate Boys Athletics Champion	Austin Marsters
Senior Girls Athletics Champion	Maia Gilbert
Senior Boys Athletics Champion	Jesse Leilua

2021 was always going to be a big year for the 1st XI Football team as we had an exciting group of boys with a mixture of youth, skill and experience. The goal was set early in the season that promotion was the end result.

This all started with an awesome trip to St Peters in Cambridge where we finished off a good 6 weeks of training with 2 fixtures vs the best school team in Hamilton. The boys played some great football and came away with a draw and a 1-0 loss. This trip set the boys up well and we returned to Auckland as a united group.

The start of the season was fantastic with 5 wins from 5, unfortunately with a bye round and a re-scheduled game our momentum was affected momentarily. The team finished in 3rd place in the league heading into the top 4 play off and won the 1st game 2-1 over Ormiston who we lost to in the league. A great season, a great team but yet again we have been affected by covid.

I am sure this group had the goods to win the last 2 games and get promotion into A3 and along with that a good chance to enjoy a positive trip away in Whangarei at tournament. I feel for the group and especially our year 13s who have again missed these opportunities.

It was a disappointing way to farewell our Year 12 & 13 players who have done so much for the team over the years – we would like to thank **Noah Harris** and **William Risetto** for all the hard work and service with the 1st XI Boys team over the last 2-3 years. We unfortunately also farewell **Kemen Zulaika** and **Nate van Dolleweerd** who have played for the team for the past 3-4 years. These 4 will be a big loss to the team for 2022 but their leadership in 2021 has been inspiring for all of us. Thank you to all of you for your commitment and dedication to OHS Football.

Looking ahead to 2022 – We are really excited about the future with a talented young group of players. We already have our Cambridge pre-season trip locked in and can't wait for hopefully a full season of football.

Finally and most importantly we would like to thank our awesome helpers Kylie Greig, Kaz van Dolleweerd and Paula Siebert for helping this Winter, we all appreciate everything you have done!

Mr Coombes

U15 Football Boys

The Onehunga under 15s boys football team started their season off strong with a few wins under their belt. The boys showed great leadership and unity throughout the season, by taking it in their stride to self-manage in times without a coach. Sam Davy stepped up as captain this year where he was able to develop great leadership skills in managing the team through their warm ups and helping set positions on the field. A special mention also goes to Jarvis Skilling and Nathanael Uiki who managed to score some impressive goals throughout the season. Unfortunately, our season was cut short due to weather conditions and lockdown but looking forward to seeing what these boys can achieve next season.

U13 Football Boys

The OHS U13 soccer team comprised a mixture of players; a few had never played before, some had played in the past, and a few played club soccer. We were thrust into the season and experienced some harsh lessons, suffering double digit losses. What was pleasing to see was that the enthusiasm never waned. After school we concentrated on passing and positional play, focussing on playing as a team. As a coach, all you ever hope for is continual improvement. To their credit, the entire OHS U13 team delivered in spades. At the end of the season, we had draws against Auckland Grammar and Mt Albert Grammar. In our last game, we played as a passing team, managing to move the ball forward creating multiple opportunities. As a coach, I could not be prouder of the development of the players and this team as a whole.

1st XI Girls Football

Due to the success of last season, our girls were promoted into the A1 Grade this year. This meant facing a new pool of teams at a higher level. We were excited to be promoted, and it was an opportunity for our girls to really lift their game and develop as players. Our coaching team – Mr Jacobsen, Georgia and George - were impressed with the student leadership within our team, particularly from captain Sadie Woodward, and vice-captains Eva White and Hannah Hamilton-Ralph. The whole team consistently demonstrated positive and competitive attitudes. LAC on and off the field!

Although we didn't get the number of wins we would have liked, week after week the scoreboard showed that we were one of the strongest defensive teams on the table. This bodes well for our success in the long-term. As a relatively young team we can continue to work on our attacking strength, and in coming seasons we'll be a force to be reckoned with!

Football Girls 2nd XI

Onehunga High School fielded a second girls football team in 2021 for the first time in a number of years. It was great being able to do this to provide for many girls who were keen on experiencing the game for the first time. The team also provided an avenue for those junior students who are likely to move up into the 1st XI team in the years to come.

After a slow start to the season where the first couple of games were lost the girls went on an impressive run of wins. Tenacity in defense was the hallmark of these performances with particular leadership and quality being shown here by Olano Khadija, Linda Uasi, Kristin Williams and Aeya Panceras.

Another feature of the girls 2nd XI was the team spirit that was quickly developed. It is a credit to the girls who greatly enjoyed each other's company and always played the game in the right spirit.

A farewell to the Year 13 students who contributed so much to an enjoyable season. Maia, Paige, Kristin, Sei-K, Olano, Hinemoa and Aeya, thank you very much.

Hockey Girls

The first XI hockey girls experienced both great wins and losses as a team in 2021. This season we built chemistry on and off the turf, using a variety of key values to bring our team together. One of the highlights of our season was our semi-finals game against Baradene where we went to penalty strokes to determine the winner. This was a new experience for our entire team and without any practice, our players took courage and brought us the win. It was a great season for both our experienced and first time players as we all developed new friendships, new skills and a positive mentality on and off the turf. On behalf of our seniors who had their last season playing hockey for OHS, it was an honour to play alongside such a supportive, talented team of players. Our team wants to wish our coach, Amelia Noyes, a big thank you, for the skills we developed this season and the lessons learnt such as always being optimistic, keeping our spirits high and taking time to reflect as a team to improve for the next games. The first XI Girls are also grateful to our coach and our team manager, Janeen Bhandari, for the time,

effort and support that they gave by transporting us to and from games and for ensuring that OHS Hockey was a safe and empowering environment for all of us. The greatest lesson learnt from this season was to always celebrate regardless of a win or loss and to have fun giving everything a go!

Girls Cricket

This year saw Onehunga enter a girls cricket team for the first time in a few years. The girls first game against Lynfield was a learning experience, and the team thrived off the pressure and competition and learned so much from this game. The rest of the season saw amazing performances from the bat of Ocean Dawber and Mele Fakatava who led from the front especially in the last game where the girls chased 130 runs and only lost 1 wicket against Western Springs. On the bowling front, we improved tremendously with Lilli Burgess, Seneti Dawber and Ma'ata-Toupili Mafi being the leading bowlers for the team. We had so much fun as a team this season and had some notable mention in the field with her enthusiasm and effort from Sivi Kiole. The team was placed under the great guidance of Aleki Dawber who showed great enthusiasm to coach the girls this year, thank you so much for everything you did for this team. The girls finished the season second on the table, and I know they are excited for next year where they hope to improve and practice even more.

Junior Boys Cricket

Continuing from the strong form shown in 2020 the Junior Boys Cricket team went undefeated for the Term 1 season in 2021. While there is a large range in abilities and two boys playing cricket for the first time ever the hallmark of their success was teamwork with important contributions coming from every player. The best individual batting performance came from Luke Grant who scored 61 in the final vs Auckland Grammar. He also topped the season runs with 168 with an average of 56. The best bowling figures of the season came from Shawn Vaetoru in the final vs Auck Grammar, courtesy of a hat-trick. Shawn's figures for that game were 3/16 and he finished the season top wicket taker with 9 wickets at an average of 7.1. Other notable performers for the season were: Sam Davy who scored 102 runs with a high score of 53* and an average of 51. Sam also took 8 wickets for the season at 9.75 Suleman Tariq who scored 103 runs for the season with a high score of 38 and average of 34.3 James Sinclair and Elliot Schultz both took 6 wickets for the season with an average of 11.33 and 12.33 respectively. The team is looking forward to new challenges as it is promoted to the Junior A competition for the 1st time.

Boys Senior Basketball

This year OHS basketball launched into its rebuilding programme - literally. With the new school gym currently under construction, the players walked to Jordan Recreation centre to practise after school. The junior and senior boys trained together with Mr Douglas and Eddie Tauili'ili supported by Mr Moka. There was a focus this year on fundamentals and intensity during training sessions, which improved dramatically throughout the season - especially amongst the junior squad. Competition highlights this year were the junior boys qualifying for their cross-over, missing out on a semi-final. The senior team had some outstanding 3-point shooting performances, led by Tyrone Woonton. The highlight game was a win over St Peter's open grade squad. Looking forward, there has been some outstanding commitment on display from a group of junior boys who have continued to train after the season's end; shout out to Zoram and Ehlym Tauili'ili, Nicholas Fergusson, Lucas Bennett-Pulu, Garciaia Tuakalau, Zeek Williams, James Sinclair. Watch this space - a new gym is on the way!

Girls Senior Basketball

OHS Senior Girls were led this year by captain and coach Grace Time. The team had record numbers, with 14 girls starting off the season as part of the squad. Competition highlights included making it to the playoffs, which ended in a nail-biting semi-final against Auckland Girls Grammar, just missing out on 3rd place. The team showed awesome improvement across the season and we had some great performances on the court with high scoring games won by an impressive margin. Many of the girls will be finishing at OHS at the end of the year, but lots of LAC spirit remains with the Year 12 players Nu Phan-Huynh, Nia Langi, Maia Gilbert and Year 11 Amber Williams. Shout out to OHS Senior Girls for having the loudest and most supportive bench in the Central/West pool!

Junior Girls Basketball

Somehow Year 10's Brontay Hati-Parsons and Evehannah-Joi Prescott convinced several absolute beginners to join the Junior Girls team. They asked Mr Mackay and Laviena Prescott to coach them on different days. At games, Year 12's Maia Gilbert and Margilyn Liu Chan also shared their skills and competitive mind-sets. The team played ten games, won three, scored 220 points and finished fifth out of seven teams. Susan Edmonds-Maney shone with her expert intercepts and fast breaks. Team captain Brontay got on a roll with her three-pointers, and Evehannah-Joi used her height under the hoop. Lilli Burgess brought solid netball skills to each game, while N'Kara Tuimalu lived for basketball and she dominated on defence. The loudest cheers were for Loni Tafuna and Tori Wells as they dribbled and scored baskets for the first time. Loni and Tori's new love for basketball helped the team have fun and gel together.

Premier Girls Volleyball

The premier girls' volleyball team faced many challenges this season but this did not stop us from achieving what we did. With the challenge of lockdowns and interesting facilities to train, the girls' volleyball team still succeeded in their ways at competitions and tournaments. An improved result in the zone finishing second, we competed hard at Auckland champs as well as Nationals (NZSS). To the girls, we're very grateful to the year 13s who we played alongside throughout the season and past years for making the last year of our high school volleyball journey memorable. Both teams were very lucky to have been coached by Mr Griffiths. The support we received from families, the school and the community is greatly appreciated.

Daisy Fuavao and Lovely Tupou 13LU

Volleyball Premier Boys

The Premier Boys Volleyball season didn't take long to start with an early invitation to enter the Premier league meaning we started on the second day of the school year. With minimal training together, the boys started out on what can only be described as an astounding season and a payoff for the hard work that has come in the past few years.

The boys improved their results in the Central West zone going undefeated for the first time and defending their title. The team competed well in the Premier league and the experience will do the boys well for the future as fitness and consistency in focus were highlighted as areas that need improvement.

The Auckland Champs was a fantastic preparation for Nationals, with the boys winning 4 games out of 6 and finishing 9th. At Nationals we had our first taste of the championship division, and the team showed that they were ready for the challenge. Finishing 2nd in their pool, they qualified for Division One, and finished 16th in New Zealand. The team narrowly missed out on the top 8 with a massive win over Orewa College not quite making up the points difference required.

Thanks and congratulations need to go to Jesse Leilua for his service to Volleyball and outstanding play over the past 4 years, William Risetto for taking his chances at Nationals and playing fantastic. Jack Filoa was selected to the tournament team at Auckland Champs and between him and Ben Webb the school has a solid leadership group for 2022 where expectations will be high, the boys wanting to continue to improve on these results.

Rugby 1st XV Boys

Kia mate ururoa, kei mate wheke. 2021 saw our boys 1st XV embody the very heart of this whakatauki: fine, young gentleman fighting like sharks on the field, giving each game their all and holding steadfast to a brotherhood built on excellence, loyalty and courage. Led by our fierce rangatira, Andre, Jesse and Matuata, the boys played a hard-fought season of prime rugby with dedication and prowess. The season came to an abrupt end with Aotearoa New Zealand moving into lockdown just days after an exemplary win against Otahuhu College. This game captured the very essence of the team, a real showcase of skill and conviction. A special mention must be made to the boys' domination, with heart and mana, of the forwards in every game played. Sincere thanks to Jarrod O'Connell, Robert Ngawharau and Kym Lam Sam - a stellar coaching team that nurtured the talent, brotherhood and fire of the 1st XV this year. No doubt your legacy will endure. We bid farewell to our Year 13 players: thank you for leading so brightly by example and paving the way for the next generation of sportsmen to step up. For the final time this year... one team, one unit, One 'hunga!

Rugby U15 Boys:

Frustrating. This is probably an accurate description of our U15 Boys Rugby season this year. Our team gathered early with pre-season training commencing as early as March. As new coaches, Moni and I slowly developed a friendship of trust with each player, analysing their strengths, their areas of development and their personalities, boy this team had them all.

Our training squad played their first pre-season game on 15th May against a much larger Tangaroa College team, but we came away with a convincing 20-7 victory.

With a few weeks under our belt with the boys, as coaches we saw enough in the squad that we truly believed that this was a Championship Team in the making! We made our intentions clear to the team, challenging our boys to become the 'best versions of themselves' in the classroom firstly and secondly out on the rugby field.

With so many disruptions to this season, with many of our players sustaining injuries, commitment levels and of course Covid-19 lockdowns, we were just happy to scrape through nine rounds of actual rugby for the U15s competition. The season brought to a halt with the recent Covid-19 lockdown, also meant the team only took to the field five times - Winning 2 games, 2 draws, 1 loss and a Bye round. Disappointingly, we also had three games defaulted as other schools failed to front up. Our 'Championship Team' finishing the season at 3rd place, with still 2 rounds to play. (The boys firmly believed we would have won our final two games, leaving us to imagine what could have been).

It was a special privilege and honour for Moni and I to coach these fine young men this year. We were also blessed to be supported by our amazing Managers – Terouru Huri and Rebecca Ruttley, along with our senior school staff members– Steve Frear, Chad Coombes and Murray Saunders.

We look forward to seeing our players progress inside the classrooms, but also out on the rugby fields. We have no doubt that most of these players will progress through the school and club senior rugby teams and ultimately playing 1st XV Boys Rugby in the near future. Bring on 2022!

Coaches

Moni and Taulia

GIRL'S RUGBY 10s

During the season our girl's rugby 10's only lost 2 & won 5 games (highest winning score against Marcellin & Kelston Girls), which put them in the top 4 crossover games to see if they make it to the Semi-final. Nissi Aleni(C) and Jatima Uluave (V.C) were selected after a team vote, and served their team well with great leadership. The team has young talented players which is very promising for future OHS girls rugby. One of the many highlights this year was when we visited the Black Fern's experience in March to understand what it takes to make, shape and be an All Black. "Was a great experience overall for our rugby girls to meet six of the Black Ferns players. Shout out to Mr Coombes for organising this trip for our girls" – OHS news online. "We developed sister bonds within each other has been a great experience for all the girls in the team. Going through the same obstacles at trainings, learning new skills, and getting to play rugby has been a hectic experience for us all" Jatima

Huge shout out to our coaches Seni Ulakai and Tevita Tu'ifua for their leadership, commitment and most importantly for not giving up on our team. Trelise "We are grateful for the opportunity to be able to represent our school with pride"

We are proud of all the girls who represented their families, kura and community this year and we are forever grateful to our families, peers, coaches, staff and school as a whole for their ongoing support!
Ms Bex Muipu (manager)

Year 9

**Coach - Shaleece Tuilaepa and Gina
Managers - Mrs Lute Langi and Elaine Webb**

Our Year 9 Netball team, led by our student coach, Shaleece Tuilaepa, had a great season this year. They improved in every game and gained confidence over the course of the season. After Round One of games, we made the Top 3 in our grade. We were on our way to maintaining this position however the lockdown cut our season short by a few weeks. A few of our key defence players got injured towards the end of the season so we wish them well with recovery.

A huge thank you to Shaleece Tuilaepa, Mrs Langi, Gina Tuilaepa and Elaine Webb for their help over the course of the season. We wouldn't have been able to do it without you!

Year 10

**Coach - Ms Janelle Tupai
Managers - Faith Fineanganofa 13LU and Nissi Aleni 13TO**

What a crazy netball season! The year 10 netball season was filled with lots of challenges and lots of successes. Their goal was to be competitive in all their games. The individual and team development was evident during the season. Our strong defensive end turned over some good ball which led into some great wins against St Kentigern and Epsom Girls. The attacking end were up against some physical teams and were often tested. During the season our team came away with some narrow losses against Macleans and Auckland Girls Grammar.

Throughout the season they were able to build a strong rapport with each other. They are a team filled with resilient and passionate players. The season ended with 10A sitting third on the table. With such talent coming through we are excited for 2022!!

Senior A

**Coach - Ms Janelle Tupai and Hine
Manager - Ms Lousi**

Our Senior A Netball team started the season strong coming away having won most games in grading, which placed us in the Senior B grade. After the first round of games we were second in the table, which promoted our team to the Senior A reserve grade. If it weren't for lockdown we definitely would have finished the season in Top 3. Despite the successes we did have our challenges with commitment and a fluctuating team list. In Term Three, Hine was brought in to help the team and it was the best decision as commitment improved and our girls built a positive relationship with one another. A huge thank you to Ms Tupai and Hine for taking the time to coach our Senior A team!

Premier & UNISS team

**Coach - Ms Janelle Tupai and Devon Hiley
Manager - Ms Lousi**

Our season of building a strong Premier netball team this year didn't come without its challenges. We had no courts at school to train on or a wet weather option. With many of our players getting involved in Polyfest back in Term One and a few lockdowns, it did mean that there was a delay with getting Netball off the ground running. Nonetheless, we started off the season strong with back to back wins out of grading, which placed our team in the Senior A grade, which is a first for our

school in a number of years. Unfortunately, our coach at the start of the season, Devon Hiley, moved on from working locally after grading, which led to Ms Janelle Tupai taking up the top coaching position. Over the course of the season, we witnessed our girls gain confidence in themselves and take pride in their school colours. It took a few weeks for our girls to settle in the Senior A grade at first due to the level of fitness, confidence and grit needed to win games. However, once we got our groove on, we were able to win against Otahuhu Prems and St Cuthberts. We narrowly lost against Selwyn and Macleans, which left us in 4th place after round one of games. A huge thank you to everyone who has helped our team over the course of the season!

Here is a highlight of the season shared by one of our co-captains, Litania Langi, 12MK -

"A highlight of the season was the intense match against Selwyn. Probably one of our best games as a team, where everyone stepped up and literally put their bodies on the line giving the other team a tough game."

Here is a wrap up of the season as told by one of our co-captains, Faith Fineanganofa, 13LU -

It was my first year of playing in the prems and I'm glad I was able to get the chance to be coached by Ms Tupai and managed by Ms Lousi. Despite the work being voluntary, they were very much committed to the sport and gave us the chance to make a name for ourselves. Both our coach and manager were one of the team's biggest supporters which I could say for myself, I am very grateful for. They were also one of the main reasons our team hadn't fallen apart despite the commitment displayed in the beginning but nonetheless we definitely learnt a lot from both of them and were blessed with countless opportunities from the two. This includes chances to work with high star netball players, a boxing session as well as the mini tournaments we took part in. This year has most definitely been one of the most active years for netball in Onehunga where Saturday games weren't the only experience we were receiving.

It was a huge bummer for the girls that were picked for the UNISS tournament team as we didn't end up getting the chance to experience it due to Covid. It was definitely an event the girls were looking forward to and trained hard for. However, the opportunity to play against other schools in mini tournaments like Mt Roskill, McAuley, Manurewa and Aorere was a great experience as it really did wake us up to the reality of what tournament week would have been like. It gave us ideas of what we needed to work on and what training would consist of as well as what needed to be done to strengthen our team bonding. Despite the season ending in terms we didn't think was going to happen, it was fun meeting and learning with my peers as well as having the opportunity to be coached and managed by two wonderful teachers.

Tennis Girls:

2021 was a good year for teen tennis sensations including the nine students in the Social Tennis club. At the club's heart were dedicated Year 12 students Elma Mujkanovic, Madeleine Mair, Amarissa Havili, Amber Tetava-Drury, and Mia Tetava-Drury. Their excellent skills were challenged by the Most Promising Player, Year 9 student Jacob Cooper. Summer mornings were ideal for setting up the tennis nets and swinging rackets. Sei-K showed LAC by starting tennis at Year 13, and Year 9s Snow Ba and Maria Sawaya also had fun learning the game.

Badminton:

While the school's re-development project including the new gym is ongoing, the badminton team made the school hall their virtual training ground this year. Thanks to Property and Sports for making this happen. "Better than nothing" one player exclaimed.

In term 2, two teams namely Team A (Mixed) and Team B (Girls) have joined the weekly tournament held at Mt Roskill Grammar. The Girls team did their best, fought hard and enjoyed each game against other schools. Even though they have yet to win a game, they kept pushing and wanted to train more. Meanwhile, the dynamics of the new Mixed Team (A) looks promising as they have been very successful. They won all 6 games in the round robin and lost only in the finals against Mt Roskill A and came in second place. Well done indeed to both teams.

Even though the term 3 season has been disrupted by yet another lockdown, the team is looking forward to next year and is thrilled to try out the newly built sophisticated gym.

BOTTOM

In 2021 many of our staff meetings and interactions were online, there was no opportunity to have a staff photo so here is a screenshot of one of the early morning staff meetings.

The Business School was very sorry to see Christine Downs, our Teacher in Charge of Accounting, retire after 34 years. Christine started here in the late 1980s and has held many different roles, she was originally Head of Commerce, followed by a stint as the Staff Board of Trustees representative. Christine occupied the role of Principal's Nominee for many years and also spent two years as Acting Head of Business. Christine has been a stalwart in the department, accompanying students on overseas trips, local trips and fostering many business relationships with local businesses and small accounting firms. Some of her former students are in the private sector performing at the top of their game and several of them have attributed this to being in Christine's class. We wish Christine well in her next endeavours.

Due to Covid-19 things were a bit different this year with streamed ceremonies for Senior Prizegiving and Sports Awards

The following pages are from the Senior Awards and Sports Awards booklets

Please note that the formatting as a booklet is different to this yearbook

ONEHUNGA HIGH SCHOOL

SENIOR AWARDS '21

TOP ACADEMIC

PAKEEZA ALI

PAIGE CAMPBELL

OLANO KHADIJA

VANESSA LY

The students highlighted above have demonstrated through their current outstanding confirmed results that they are among the top performers in their year. Once all results are confirmed, we will award the two top academic awards at our Onehunga High School scholarship assembly. We invite and encourage as many of you as are able, to return next year for this annual scholarship assembly. Congratulations to these students, and we challenge each and every one of our students to do their best in the future. Accessit and Dux Litterarum.

C ACHIEVERS

ACURA CHUKAU

HANNAH CLAGUE

HINEMOA NATHAN

are in the running for two very prestigious awards, Dux Litterarum and Proxime Accessit. These will be announced at the school assembly at the beginning of Term Two next year. These will be based on all confirmed assessment results. Please come to school to hear these important announcements. There is potential for others to join these students in the running for 2021 Proxime Accessit in the upcoming exams.

PRESTIGIOUS

THERESA FAIFO
DENNIE WALLS ENDEAVOUR CUP

The Dennie Walls Endeavour Cup is named after a long-term contributor within our community, Dennie Walls.

Dennie Walls began the Walls and Roche Pharmacy in Onehunga Mall and on his death, he left a trust to benefit people in our community. Every year this award is presented to a student who inspires us with their effort, determination and persistence to achieve his or her best despite the barriers which are presented.

This year's recipient epitomizes what overcoming hardship and difficulty looks like. Her commitment to school despite personal challenges that she and her family have had to deal with is a credit to her determination and strength of character.

Theresa you are a role-model to us all. You have never stopped being the respectful, kind, humble and resilient student we have known since you joined us as an Onehunga High School student. Theresa, without a doubt you have a bright future ahead of you and we wish you all the best.

Congratulations, Theresa.

ACURA CHUKAU
PEOPLE'S CHOICE AWARD

This award is for a Year 13 student who is voted by his or her peers to have made the most significant contribution.

Acura's nominations for this award featured words like selfless, vibrant, humble and hardworking. Acura is all of these things and more. Her peers have recognised her hearty contributions as a prefect and leader to our students, school and wider community and it is clear that Acura has been an important part of many students' journeys here at Onehunga High School. Acura, this award is presented to you with the gratitude of the many lives you have touched over the years. We thank you for your service, your alofa and your LAC.

Congratulations, from the Class of 2021.

AWARDS

JATIMA ULUAVE
HUMANITARIAN AWARD

This cup was donated by the PPTA. Staff members nominate students who have unselfishly given their time to improve the lives of others. Jatima has worked selflessly to support her peers this year and played an integral role in her Services class. She has done some incredible restorative work to ensure positive experiences for students. Jatima is a young lady whose leadership is recognised by many.

You are a deserving recipient of the Humanitarian Award, Jatima, congratulations.

FAITH FINEANGANOF
JUBILEE CUP

To commemorate the milestone reached by our school with our 50th anniversary in 2009, the Jubilee Committee decided to present a jubilee cup to the school. This cup recognises a student who in words and deeds reflects the motto of the school "by loyalty and courage" and who has upheld the values this motto represents.

This year's recipient of the Jubilee Cup is Faith Fineanganofa.

SCHOLARSHIPS

DAISY FUAVAO
UNIVERSITY OF OTAGO PACIFIC PEOPLES ENTRANCE SCHOLARSHIP

This scholarship recognises academic ability, community involvement and potential to succeed at university. The standard value of this scholarship is \$13000 over two years. However, this scholarship was awarded at Distinction level and is valued at \$20,500 with a two year tenure. It is my pleasure to congratulate Daisy Fuavao on being awarded this scholarship. Congratulations, Daisy.

TAMARA TEUA
UNIVERSITY OF OTAGO MAŌRI ENTRANCE SCHOLARSHIP

This scholarship recognises academic ability, community involvement and potential to succeed at university. The standard value of this scholarship is \$13000 over two years. However, this scholarship was awarded at Distinction level and is valued at \$17,500 with a two year tenure. It is my pleasure to congratulate Tamara Teua on being awarded this scholarship. Congratulations, Tamara.

MAIA POTINI-BOWEN
AUT FIND YOUR GREATNESS SCHOLARSHIP

This scholarship recognises academic achievement and contribution to school and community. It is valued at \$14000 over a three year tenure to support full-time study. I would like to congratulate Maia Potini-Bowen on being awarded this scholarship, we are so very proud of you.

PAIGE CAMPBELL
VICTORIA UNIVERSITY OF WELLINGTON TANGIWAI SCHOLARSHIP

This scholarship celebrates excellence both inside and outside of the classroom and is valued at \$5000. It gives me great pleasure to congratulate Paige Campbell of being a recipient of a Victoria University of Wellington Tangiwai Scholarship for 2021. Congratulations, Paige.

This scholarship is designed to support Pacific students studying Health Sciences at Foundation year. As recipients of this scholarship students receive a subsidy towards and a guaranteed place in the University of Otago Residential College, tutoring to support their studies, invitations to workshops and a senior student mentor. It is my pleasure to congratulate Lovely Tupou on being awarded this scholarship. Congratulations, Lovely.

LOVELY TUPOU
OTAGO UNIVERSITY POPO FOUNDATION SCHOLARSHIP

This scholarship is designed to support Māori students attending university for the first time. As the recipient of this scholarship, the successful student receives paid accommodation at a catered University of Auckland Hall of Residence and a laptop for their academic studies. I would like to congratulate Jordan Sisitoutai for being a recipient of this scholarship in 2021. Congratulations, Jordan.

JORDAN SISITOUTAI
UNIVERSITY OF AUCKLAND WAKA MOANA SCHOLARSHIP

This scholarship is designed to support Pacific students attending university for the first time. As the recipient of this scholarship, the successful student receives paid accommodation at a catered University of Auckland Hall of Residence and a laptop for their academic studies. I would like to congratulate Lebamanoi Tatā for being a recipient of this scholarship in 2021. Congratulations, Lebamanoi.

LEBAMANOI TATĀ
UNIVERSITY OF AUCKLAND WAKA MOANA SCHOLARSHIP

First Foundation is a unique educational trust founded to assist students to achieve their potential through tertiary education. A four-year scholarship is provided to the student which will prepare them in transitioning from secondary school into University. The scholarships are provided by businesses and private donors. Alongside the scholarship, First Foundation also provides a mentor who is supporting the student throughout the four years, giving the student opportunities to develop skills and knowledge that will in turn help them throughout their tertiary pathway. This year we would like to acknowledge Maia Potini-Bowen on receiving a First Foundation Scholarship supported by Fletcher Building. Please join with me in congratulating Maia.

MAIA POTINI-BOWEN
FIRST FOUNDATION SCHOLARSHIP

This scholarship has been made possible by the late Jack Swindells Estate and is designed to reward students who are achieving well both educationally and in sporting, artistic and cultural fields. There are many students from a variety of schools that apply for this scholarship and we are proud to share that Daisy Fuavao is a recipient of this scholarship for 2021. Congratulations, Daisy.

DAISY FUAVAO
JACK SWINDELLS ESTATE - YOUNG PEOPLES SCHOLARSHIP

ANGEL TAUTAIOLEFUA
NAYLOR LOVE SCHOLARSHIP

JOSIAH ALIIMALEMANU

Naylor Love is the construction company responsible for the building of our redevelopment programme. As part of their continued support of Onehunga High School they have kindly donated two scholarships for students who are pursuing a career in the design and building industry. Our first recipient of an inaugural Naylor Love Scholarship is Angel Tautaiolefua. Angel receives \$1000 per year for 3 years to support her study of a Quantity Surveying degree. Congratulations, Angel.

Our second recipient of an inaugural Naylor Love Scholarship is Josiah Aliimalemanu. Josiah receives \$1000 per year for 5 years to support his study of an Architectural degree. Congratulations, Josiah.

GABRIELLA MANU
ALAN HASKELL SCHOLARSHIP

ISAAC NAIR

KETA TUTU'U

Alan Haskell was a local businessman who lived and worked in the Onehunga community. He was a governor of this school. He was on the board for 7 years and was chairperson for 4 years. Alan's three children all attended Onehunga High School. After his death a trust was set up to help Year 13 students undertake tertiary study. In presenting these awards we honour the memory of Alan Haskell. The three recipients of these awards in 2021 are: Gabriella Manu, Isaac Nair and Keta Tutu'u

Fred McKeever was an Onehunga identity who contributed a great deal to the community. Through the conditions of his will, Mr McKeever continues to contribute in the form of awards for four Onehunga schools.

This year the 2021 Fred McKeever Scholarship goes to Nisha Murugan. Congratulations, Nisha

NISHA MURUGAN
FRED MCKEEVER SCHOLARSHIP

VANESSA LY
NIEUKERKE SCHOLARSHIPS

TEVITA FE'ILOAKITOH

The Nieukerke family were Onehunga residents. On the death of Mr and Mrs Nieukierke, money was willed to set up a trust to benefit the educational futures of students from Onehunga High School. The two recipients of the Nieukerke Memorial Scholarships for 2021 are Tevita Fe'iloakitohi and Vanessa Ly.

This scholarship that has been kindly donated by another past pupil of our school. This scholarship recognises resilience, hard work and potential and is valued at \$2,500. The recipient of the Pay It Forward Scholarship for 2021 is Jatima Uluave. Congratulations, Jatima.

JATIMA ULUAVE
THE PAY IT FORWARD SCHOLARSHIP

HINEMOA NATHAN
THE WEST ISLAND SCHOLARSHIP

Catherine Sietkiewicz, past pupil and daughter of the late long standing Onehunga High Board member, Vic Sietkiewicz, offered this scholarship to recognise and reward academic endeavour and all-round contribution to our school. This scholarship is valued at \$1,500 and will be paid once enrolment at a tertiary provider is demonstrated. The recipient of the West Island Scholarship is Hinemoa Nathan. Congratulations, Hinemoa.

DALEY WILSON
THE KINGDOM LEGACY TRUST SCHOLARSHIP

This scholarship is offered by a Christian couple in support of a student who otherwise would have difficulty studying at the tertiary level. The scholarship is valued at \$10,000; with \$5000 paid once enrolment at a tertiary provider is demonstrated, and a further \$5000 on enrolment for the second year, as long as the student has passed the equivalent of a minimum full-time course in the first year. The recipient of The Kingdom Legacy Trust Scholarship for 2021 is Daley Wilson. Congratulations, Daley.

HANNAH CLAGUE
THE ONEHUNGA YOUTH TRUST SCHOLARSHIP

This scholarship is awarded to cover payment of tertiary fees annually of \$1500 for a period of three years for full-time study. This year the recipient of this generous scholarship is Hannah Clague. Congratulations, Hannah.

NATHANIEL PESAMINO
THE OKAREKA CHARITABLE TRUST SCHOLARSHIPS

This scholarship recognises academic achievement and contribution to school and community. It is offered over a three year tenure to support full-time study. I would like to congratulate Nathaniel Pesamino on being awarded this scholarship, we are so very proud of you.

TU'A PULUPAKI
LEE WARN AWARD

The Year 11 Lee Warn Award is a generous gift from Lee. Lee is a former student who contributes in many ways to our society. He is providing this award for you, Tu'a as a Year 11 student who is recognised by Onehunga High School as a deserving student of considerable potential. Congratulations, Tu'a.

Y'QUESAHA ITAMUA
AARON D'SOUZA AGAINST THE ODDS SCHOLARSHIP

This scholarship is awarded to a student who shows diligence, courage and resilience. The recipient for 2021 is Y'quesaha Itamua. Congratulations, Y'quesha. We would like to thank Mr D'Souza for his generosity.

WILLIAM MALONEY
PRIME MINISTER'S VOCATIONAL AWARD

The Prime Minister's Vocational Excellence Award for 2021 recognizes hard work, determination, a willingness to learn and success in a chosen pathway. The recipient of this prestigious award is William Maloney. Congratulations, William.

ONEHUNGA HIGH SCHOOL

SPORTS AWARDS '21

2021

2021 HAS BEEN A YEAR OF GROWTH, DEVELOPMENT AND SUCCESS FOR THE SPORTING COMMUNITY AT ONEHUNGA HIGH SCHOOL. DESPITE THE COVID INTERRUPTIONS FACED IN TERMS THREE AND FOUR, MOST OF OUR SPORTING TEAMS MANAGED TO COMPLETE THE MAJORITY OF THEIR SEASONS. THE SCHOOL ATHLETICS DAY WAS HELD IN TERM ONE AND INDIVIDUAL STUDENTS PARTICIPATED IN ZONE CHAMPIONSHIPS. THE JETS PROGRAMME CONTINUES TO GO FROM STRENGTH-TO-STRENGTH WITH THE ADDITION OF GIRL'S RUGBY IN 2021 AND VOLLEYBALL SET TO JOIN IN 2022. TEAMS IN RUGBY, FOOTBALL, HOCKEY, VOLLEYBALL AND CRICKET ALL REACHED PLAYOFF LEVEL AT SEASON'S END. THIS AWARDS PROGRAMME IS A RECOGNITION OF ALL THOSE STUDENTS AND STAFF WHO PARTICIPATED AND CONTRIBUTED TO OHS SPORT IN 2021.

DUX LUDORUM

JESSE LEILUA

This award recognises our top sporting athlete. This year's recipient is a well-respected athlete who is humble with their achievements. Jesse is a dedicated player with natural talent. Many observers speak of this person's ability to switch straight into game mode when the whistle blows. Here is a list of the teams Jesse has been involved in in 2021 and some of his personal achievements:

- OHS Senior Athletics Champion
- Athletics Central Zone Representative
- Member of the OHS Premier Volleyball Team
- Volleyball Auckland Champs participant
- Volleyball Nationals participant
- OHS Volleyball Zone Champion
- Member of the 1st XV Rugby Team
- Auckland Divisional Under 18s Blues Reps
- Recipient of the Premier Volleyball Player of the Tournament Award
- MVP of 1st XV Rugby Team

PRESTIGIOUS

NISSI ALENI
TE REO POWHIRI CUP

This cup is awarded to a female athlete who has performed at the highest level in her sport and is committed to Loyalty & Courage and training. The recipient of this award is the Sportswoman of the Year.

Nissi has performed at the highest level for school sport. She is a member of premier teams of three codes, volleyball, netball and Rugby 10s. She is respectful, humble and a fantastic sporting role-model. In 2021, she was the captain of our Girls' Rugby 10s Team.

Congratulations, Nissi. 2021 recipient of the Te Reo Powhiri Cup.

MATUATA FIFITA
BENTLEY CUP

The Bentley Cup is awarded to a sportsperson who shows leadership in sport, both on and off the field. This cup also recognises those who work hard for success.

The recipient of this award has mana, and their calming influence is often recognised and always appreciated and respected by fellow team mates. As a member of the Boys 1st XV in 2021, Matuata's leadership and dedication to the team means he always leads by example.

Congratulations, Matuata. 2021 recipient of The Bentley Cup.

TAMARA TEUA
HILLARY CUP

The Hillary Cup is for commitment and dedication to sport through playing, coaching and refereeing.

Tamara is committed to sport at Onehunga High School both on and off the court. She has played 100 games for the Premier Girls Volleyball Team and she is an excellent member of the Premier Netball Team. Along with playing both sports, she demonstrates her care of others and her intellect for the game through coaching, refereeing and mentoring other players.

Congratulations, Tamara. 2021 recipient of the Hillary Cup.

AWARDS

BEN WEBB
KELLY SIEBERT CUP

This cup is awarded for skill leadership and endeavour from an athlete who has performed to their potential, has shown leadership and is always committed to Onehunga High School.

This year's recipient is such a hard working athlete, he is a role model who always leads by example on the sports field. He has excelled in volleyball and football over the last few years and is this year's captain of the 1st X1 Football Team.

Congratulations, Ben, you are a worthy recipient of this prestigious award.

SADIE WOODWARD
**WESLEY SAMUELU
MEMORIAL CUP**

The Wesley Samuelu Memorial Cup is awarded to a sportperson who displays strong Onehunga High School values and represents Loyalty & Courage on and off the field. Sadie is a role model to others who represent our school in sport.

Congratulations, Sadie on being the inaugural recipient of this award

DEANNE PHILPOTT.
**JUNIOR SPORTSWOMAN
OF THE YEAR**

LUKE GRANT.
**JUNIOR SPORTSMAN OF
THE YEAR**

WESLEY SAMUELU MEMORIAL CUP

The Wesley Samuelu Memorial Cup was kindly donated to the school by the Samuelu family, in loving memory of Wesley Samuelu and Amadea Samuelu Kalauta. Wesley was a talented sportsman who attended OHS from 2000-2003. This prestigious award is to be presented annually to a Year 11 sportsperson who is outstanding in their field and demonstrates the school values of loyalty and courage.

Wesley was school Athletics Champion in 2000, 2001, 2002 and 2003. He was a talented Basketballer and Rugby player who played for the OHS 1st XV in 2002 and 2003.

We thank the family for their generous gift of this award, comprising a trophy and financial scholarship, which is presented for the first time this year.

TEAM AWARDS

**PREMIER BOYS VOLLEYBALL
TEAM OF THE YEAR**
