Onehunga High School can arrange a Code of Practice Compliant Insurance policy on your child's behalf - the provider would be Allianz. The policy and policy wording will be sent through at the same time as your child's homestay information.

If you are planning to arrange an Insurance policy yourself, or through your nominated education agency, please ensure that the policy has appropriate coverage, including travel costs, medical care, repatriation, expatriation and funeral expenses. We also strongly recommend that the arranged Insurance Policy provides coverage for the theft or misplacement of any expensive items.

If you or your nominated education agency will arrange your own Insurance policy, once you have done so, please email a copy of the policy and policy wording, directly to the International Department at international@ohs.school.nz

Your Insurance Policy must be provided to Onehunga High School a minimum of 4 weeks prior to the study start date of your child.
