

## FLIGHT BOOKING INFORMATION

Before you book your child's flight to and from New Zealand, please check the relevant Term and Orientation start dates in the OHS Orientation Information folder, so you know exactly when school will begin and end for the year.

### Arrival Flight

Please plan for your child to arrive between 1 to 5 days before the start of the first Orientation date.

If for some reason, you would like your child to arrive earlier than 5 days before the first orientation day, before you book your child's flight, please contact the International Director at [international@ohs.school.nz](mailto:international@ohs.school.nz) and check that this will not have any implications for your child e.g. visa implications, insurance implications or homestay availability implications.

You may choose to travel to NZ with your child either to spend some time with them touring the country before their orientation begins, or to help your child settle into their new home in NZ during the orientation period. If you would like to do this, please just let us know. We may also be able to offer some suggestions for nearby accommodation options for you.

### Departure Flight

Your child is entitled to stay at their homestay up to 5 days following the end date of their Period of Enrolment (usually this means 5 days after their final day of school). So please arrange for them to depart NZ no later than 5 days after their period of enrolment ends.

If you are not planning on your child returning home within 5 days at the end of their period of enrolment, please let us know so that we can make the appropriate arrangements, as we may need to check they have appropriate insurance coverage, a valid visa or appropriate accommodation arranged.

You may also choose to travel to NZ after your child's enrolment has ended, to spend some time with them, touring the country. Again, if you would like to do this, please just let us know.

### Booking Flights

Please book your child's flights at least six weeks before their planned arrival date. Once you have booked flights for your child, please provide an actual copy of the e-ticket, including the full flight schedule, to the International Department at [international@ohs.school.nz](mailto:international@ohs.school.nz)

Approximately 2 weeks before your child's scheduled departure, we will confirm with you who will be collecting your child from the Airport.
