

**Dear Parents and Guardians,**

Welcome to the Onehunga High School community! We are delighted that your child has joined us, and we look forward to supporting them on their educational journey here in New Zealand.

Our International Department is committed to providing an enriching academic and lifestyle experience for all our international students. We strive to ensure that your child receives a high-quality education in a safe and supportive environment. Beyond academics, we encourage students to engage in extracurricular activities and experience the vibrant culture that New Zealand has to offer.

You can expect to receive end of term school reports detailing your child's academic progress and achievements. If you would like additional updates or have any concerns about your child, please feel free to reach out to us, as we are always happy to provide assistance and keep you informed about your child's progress.

Our staff members are available during the school day, and as our offices are located on the school grounds, students are welcome to visit us whenever they need support. Additionally, we have a dedicated phone number should students need to contact us outside of school hours in the event of an emergency.

Once again, welcome to Onehunga High School. We appreciate the trust you have placed in us and look forward to working together to support your child's success.

Warm regards,

**Nicole Grace**
